EPFO
AT A GLANCE

EPFO administers the Employees' Provident Fund and Miscellaneous ***Provisions Act, 1952.***

Three Schemes run by EPFO are Employees' Provident Funds ***Scheme-1952,*** Employees' Pension ***Scheme-1995,*** and Employees' Deposit-Linked Insurance ***Scheme-1976.***

EPFO is one of the world's ***largest social security providers.***

The covered establishments are required to statutorily comply in respect of all their employees drawing wages up to ***15,000 per month (w.e.f. 01.09.2014).***

The Act applies to a defined class of industries employing ***20 or more employees.***

Provident Fund is based on a defined contribution scheme where both the employees and the employers contribute their mandated share.

A mix of ***"defined contribution"*** and ***"defined benefit"*** forms the Pension Scheme. The employees do not have to contribute to this scheme.

Insurance Scheme is a deposit linked Scheme that provides for ***benefits up to 7,00,000/-*** without any contribution from employees.

HISTORICAL PERSPECTIVE

1.1 Social security is a vital foundation of contemporary societies, serving as a safeguard for individuals against the uncertainties of life. The International Labour Organisation (ILO) offers a comprehensive definition of social security, characterizing it as a collective support system provided by society to ensure that individuals and households have access to healthcare and maintain income security during various life circumstances such as retirement, unemployment, illness, disability, workplace injuries, maternity, or premature death. Recognized as a fundamental human right by the United Nations, social security is widely acknowledged as a crucial element in fostering a thriving, constructive, and prosperous society.

In India, social security laws draw their inspiration and principles from the Directive Principles of State Policy enshrined in the Constitution. Article 41 of the Constitution mandates that the State, within its economic capacity and progress, must establish effective measures to ensure the right to employment, education, and public assistance in situations of unemployment, old age, illness, disability, and other forms of undeserved deprivation. Additionally, Article 42 expands on this obligation by emphasizing the need to secure fair and humane working conditions, along with providing relief during maternity. Article 47 further directs the State to elevate the nutritional standards, living conditions, and public health of its citizens as one of its primary responsibilities. These constitutional provisions form the fundamental framework for the provision of social security to the people of the country.

Social security in India was historically entrusted to the family and local community, primarily due to localized economies. However, with the gradual process of industrialization following independence, and later with the accelerated globalization and liberalization of the economy after 1991, the traditional bonds within communities weakened, leading to the disintegration of joint families into nuclear ones. As a result, there arose a need for a structured and regulated social security system that combines the efforts of both the state and society. The state-cum-society regulated social security arrangement seeks to address the growing complexities of modern life and provide comprehensive support to individuals and households in times of need.

The origins of social security protection in India can be traced back to the introduction of the first Provident Fund Act in 1925. Although initially limited to regulating certain private concerns, the aim of this legislation was to extend social security benefits to industrial workers upon their retirement or to their dependents in the event of untimely death. Following extensive deliberations since 1929, it was widely agreed to include industrial workers in the Provident Fund scheme, with provisions allowing them the choice to opt-out if desired. These rules were circulated to employers in 1945 to facilitate the adoption of Provident Funds in industrial concerns. Notably, some progressive employers took the initiative to establish voluntary Provident Funds, benefiting approximately 3 lakh workers.

1.2 In 1947, during the Asian Regional Conference of the International Labour Organisation (ILO), India took a position favoring a contributory provident fund scheme over a pension or gratuity payment system due to financial and administrative constraints faced by the newly sovereign nation. One of the main challenges in implementing a gratuity scheme was the relatively small amount that could

be provided to workers or their dependents, as the workers themselves would not be making any contributions to the fund. Consequently, it was determined that a compulsory contributory provident fund, involving contributions from both workers and employers, would be more suitable for ensuring workforce protection in India. This decision was made with the following perspective:

i. It would inculcate a spirit of thrift among workers

ii. It would help in stabilization of the labour force.

1.3 In accordance with the recommendations of the Asian Regional Conference, the matter was discussed at the 10th session of the Indian Labour Conference held in 1948. It was generally agreed that the introduction of a statutory provident fund scheme for industrial workers must be undertaken.

1.4 To test such a scheme in a restricted field, the Coal Mines Provident Fund Scheme was launched in 1948. The success of this Scheme led to the demand for its expansion to other industries as well. In 1949, when a non-official bill for setting up of provident funds for other industrial workers was introduced in the Central Legislature, the then Union Labour Minister gave an undertaking that a comprehensive bill on the subject would be placed before the House. The subject was exhaustively discussed at the meeting of the Standing Labour Committee held in November 1950. A general agreement was reached, particularly among the representatives of the State Governments, that legislation should be undertaken for instituting provident funds in industrial undertakings. This view was endorsed by the conference of Labour Ministers held in January 1951.

1.5 This led to the promulgation of the Employees' Provident Funds Ordinance, 1951 by the President of India on 15th November 1951 with a view to provide for the institution of provident funds for employees in factories and other establishments. The ordinance, which came into force at once, extended to the whole of India except the State of Jammu and Kashmir.

1.6 The Ordinance was replaced by the Employees' Provident Funds and Miscellaneous Provisions Act, on 4th March 1952 (Act No 19 of 1952). The Scheme framed under section 5 of the Act was brought into force in stages and was enforced in its entirety by 1st November 1952. This date is now celebrated as "Foundation Day" of EPFO.

The working of the Scheme brought out certain issues in the Act such as:

i. no provision for inspection of exempted factories,

ii. recovery of dues from such factories,

iii. payment of damages etc.

1.7 To address these issues, an amendment bill was introduced in the Council of States on 14th September 1952. The bill couldn't be passed during the session but urgent implementation required an amending Ordinance to be promulgated. This was subsequently replaced by the Employees' Provident Funds (Amendment) Act, 1953. The Presidential assent was received on 12th December 1953.

1.8 Consequent upon the enactment of the Jammu & Kashmir Reorganisation Act 2019 on 9th August 2019, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 has been extended to the entire country repealing the Jammu & Kashmir Employees' Provident Fund and Miscellaneous Provisions Act, 1961.

Schemes Framed Under The Employees' Provident Funds And Miscellaneous Provisions Act.

1.9 Three Schemes have been framed under the Act: -

i. The Employees' Provident Funds Scheme, 1952 (EPF) – (w.e.f. 1st November 1952)

ii. The Employees' Pension Scheme, 1995 (EPS) (w.e.f. 16th November, 1995) {replacing the Employees' Family Pension Scheme, 1971}

iii. The Employees' Deposit Linked Insurance Scheme, 1976 (EDLI) – (w.e.f. 1st August 1976)

1.10 The benefits admissible under each of the current schemes are as under:

Provident Funds Scheme	Pension Scheme	Insurance Scheme
i. Accumulations plus interest upon retirement, resignation, death. ii. Partial withdrawals for specific expenses such as house construction, higher education, marriage, illness etc.	i. Monthly pension for members on superannuation/ retirement, disability. ii. Monthly pension for dependents of deceased member viz. widow(er), children, parent/nominee.	i. In the event of premature death of a member while in service, an insurance up to Rs 7 lakhs is payable. ii. No premium is charged to EPF members for this benefit.

1.11 Governance Structure

Employees' Provident Funds Scheme, 1952

2.5 Employees' Provident Funds Scheme, 1952 is the first scheme under the EPF & MP Act, 1952 and came into effect on 1st November, 1952. It is a statutory benefit available to the employees post retirement or when they leave the services. In case of deceased employees, their dependents are entitled for the benefits. Under the Scheme, both employers and employees make their contributions towards the Fund. Interest earned on the amount is credited to the members' Provident Fund Accounts (PF accounts) and is available to the employees at the time of availing part-withdrawals during their service or final withdrawal at the time of retirement or exit from employment as the case may be, provided certain conditions are fulfilled.

Objective: The objective of the scheme is to provide post-retirement benefit for the employees or their legal heirs (in case of death), employed in an establishment to which the EPF Act applies.

Coverage: The Scheme mandates coverage of all establishments under its scheduled list of establishments/factories, employing 20 or more persons.

Membership: The Scheme mandates coverage of all establishments under its scheduled list of establishments/factories, employing 20 or more persons, wherein, employees earning monthly wages equal to or less than Rs. 15,000/- (Basic + DA) have to be mandatorily covered.

Contribution: Member's contribution (12% of EPF wages) and employer's contribution (3.67% of EPF wages, after diverting 8.33% of the total 12% share towards EPS) goes towards the EPF account of the member.

* The rate of contribution, for both the employer and the employee is 10% of the wages for certain categories of establishments.

2.6 Wage ceiling and Qualifying period of service over the years : Chronological order of the change of wage ceiling and qualifying period for membership under the Scheme over the years is given below:

EMPLOYEES' PENSION SCHEME, 1995

2.10 Brief Historical Note

The Employees' Pension Scheme, 1995 (EPS) came into effect on 16th November, 1995. With its introduction, the erstwhile Employees' Family Pension Scheme, 1971 (EFPS) ceased to operate and all the assets and liabilities of this scheme were transferred and merged with the Employees' Pension Fund. The benefits and entitlements of the beneficiaries under the old scheme (EFPS) are protected and continued under the new EPS, 1995.

EPS has been designed on the principles of a "Defined Contribution - Defined Benefit" Social Insurance Scheme and adopts "actuarial principles" for ensuring long term financial viability. The Scheme aims at providing economic sustenance during old age and survivor-ship coverage to Members and their families. The Employees' Pension Scheme, 1995 is funded by diversion of an amount equivalent to 8.33% of the monthly wages from the monthly Employer's share of Provident Fund contributions as well as a contribution of 1.16% of the monthly wages (limited to the amount payable on pay of fifteen thousand rupees only) by the Central Government.

2.11 Applicability

The EPS at its inception applied compulsorily to all the existing Members of the Employees' Provident Fund who were contributing to the Employees' Family Pension Scheme, 1971. The new entrants, as Members of the Employees' Provident Fund from 16.11.1995 onwards also acquired membership of the Scheme on compulsory basis. However, the same is restricted to the statutory wage ceiling of Rs. 15000/- since 1st September 2014. The existing Members of the Employees' Provident Fund as on 15.11.1995 who had not opted for joining the erstwhile Employees' Family Pension Scheme, 1971 were given an option for joining this scheme.

EPS, though effective from 16.11.95, has a provision for optional retrospective application from 01.04.93 for outgoing Members of the ceased Employees' Family Pension Scheme, 1971 and its beneficiaries during the period between 01.04.93 to 15.11.95. Members of the old scheme who had died between 01.04.93 and 16.11.95 were deemed to have joined the new scheme and their family/nominees were entitled for pension benefits under EPS, 1995.

2.12 Benefits

EPS provides for a comprehensive set of benefits which covers a broad spectrum of contingencies ensuring social security protection during old age of the Members and their families. The different categories of pension and withdrawal benefit that is available under EPS are as under:

i. Member Pension upon superannuation at 58 years of age.
ii. Early Member Pension from 50 years of age.
iii. Disability Pension on permanent and total disablement during service.
iv. Widow / Widower Pension on death of Member or Pensioner.
v. Children Pension for 2 children at a time till their age of 25 years on death of the member.
vi. Orphan Pension to 2 orphans at a time till the age of 25 years on death of member when there is no spouse or on death of spouse.
vii. Disabled Children/Orphan Pension for entire life of the disabled child/orphan.
viii. Nominee Pension on death of member and paid for life to a person duly nominated by the member in case there is no family as defined under EPS, 1995.
ix. Pension to dependent father/mother upon death of member provided there is no family or nominee of the member.
x. Withdrawal benefit on exit from service or on superannuation, provided the member has not rendered service eligible for pension.

EPS is a significant improvement over the erstwhile Employees' Family Pension Scheme, 1971, under which only Widow/Widower pension was payable in case of death of member while in reckonable service and prior to completion of 60 yrs of age. In the absence of spouse or on cessation of spouse pension, the eldest child was eligible for pension up to the age of 25 years and in turn to other children one at a time, subject to the age limit of 25 years. There was no provision for pension to members on superannuation/retirement or disablement, and the employee was entitled to withdrawal benefit only.

2.13 Eligibility

A member of the EPS becomes eligible for superannuation / early pension under the EPS on fulfilling the following criteria:

i. Minimum 10 years of eligible service; and

ii. Attaining age of 58/50 years.

On cessation of employment before completing 58 years, a member can opt for early pension. Such early pension can be availed only after completing 50 years of age and it will be subject to discounting factor at the rate of 4% (w.e.f. 26.9.2008) for every year falling short of 58 years. No member pension is payable before attaining the age of 50 years. However, no such age or minimum eligibility service criteria applies for pension entitlement in case of disablement or death of the member and even membership with one-month or part thereof , contribution will suffice in such cases. The member is also allowed to defer the age of drawing pension later than 58 year but not beyond 60 years of age with or without contribution.

The quantum of pension payable to a member on superannuation and/or exit from service on attaining the age of 58/50 years depends upon two variables, namely, the period of pensionable service rendered by the member and the pensionable salary.

Method of pension calculation is detailed in Para 12 of the scheme. The pension is calculated in two parts:

a) Past service pension for contributory service prior to 16th November, 1995 (Employees Family Pension Scheme 1971)

b) Contributory service pension for the period 16th November, 1995 onwards (Employees Pension Scheme 1995)

The pension for contributory service for the period 16th November, 1995 onwards in Employees' Pension Scheme, 1995 is as follows:

"(2) In the case of a new entrant, the amount of monthly superannuation pension or early pension, as the case may be, shall be computed in accordance with the following factors, namely : -

(Pensionable Service X Pensionable Salary) / 70

Provided that the members' monthly pension shall be determined on a pro-rata basis for the pensionable service up to the 1st day of September, 2014 at the maximum pensionable salary of six thousand and five hundred rupees per month and for the period thereafter at the maximum pensionable salary of fifteen thousand rupees per month."

As regards pension on higher wages, there is no separate formula in the EPS 1995 for members who will be eligible for such pension in compliance with the directions of the Hon'ble Supreme Court. Therefore, the same methodology of pro-rata determination of pensionable salary taking average monthly pay drawn during contributory period of service in the span of 60 months preceding the date of exit from the membership of the pension fund for post 1st September, 2014 retirees will be utilized for calculation of pension on higher wages. These principles in calculations are also being utilized for the actuarial study/ analysis to arrive at the sum total of Liabilities Vs Assets.

2024-2025	18,957.86	9,005.90	27,963.76

Note: The figure as per details in Balance Sheet for FY 2024-25. The total outgo Rs. 27,963.76 Cr shown above is slightly different from figure given in Balance Sheet (Rs. 27,963.41) due to adjustment of Life Assurance Benefit (Rs. 0.35 Cr) entry in Balance Sheet.

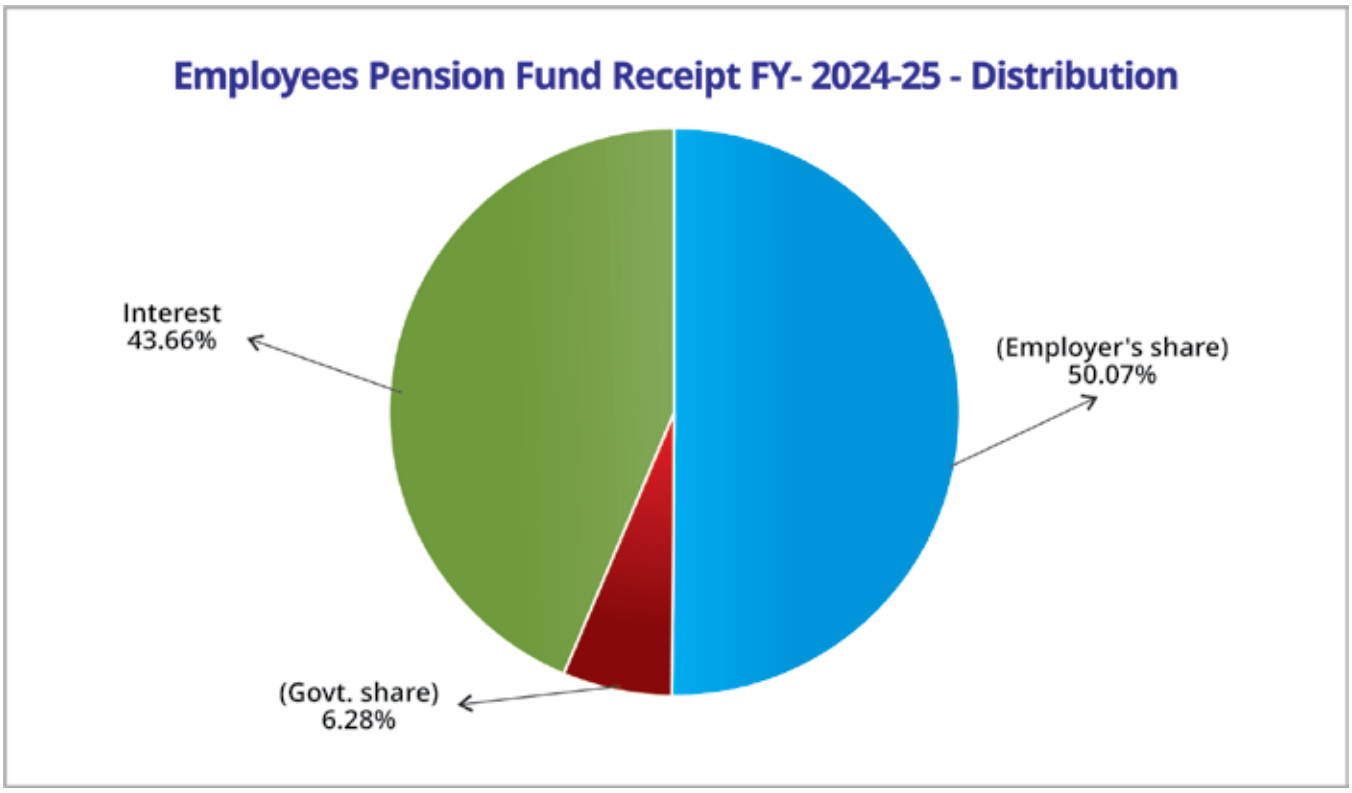

Along with the increase in the pension and withdrawal benefit payments, there has been a continuous increase in the receipts and corpus due to growth in the membership as well as general increase in wages. The growth in the receipts and corpus in the last five years is given in the table and the graph below.

Data un-audited

The accumulated corpus of the EPS has grown steadily and since the year 2020-21, corpus has increased at compound annual growth rate of **13.72%.**

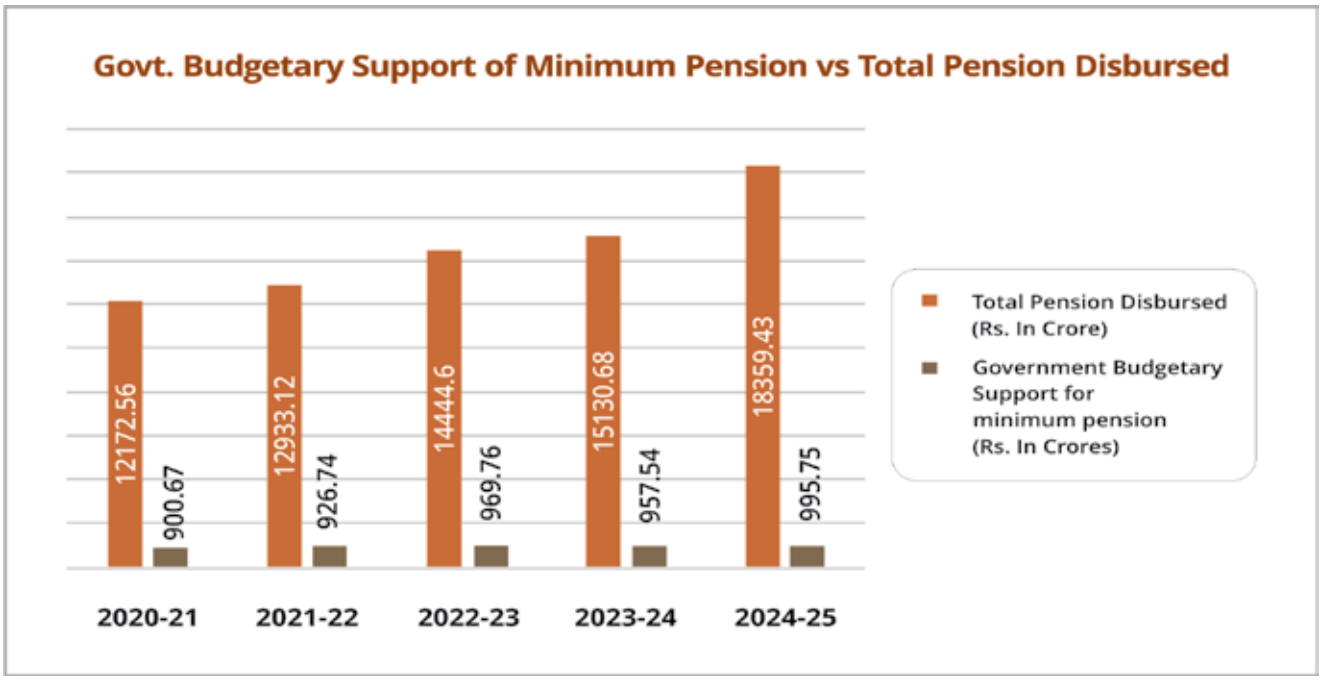

2.17 Implementation of Minimum Pension Provision

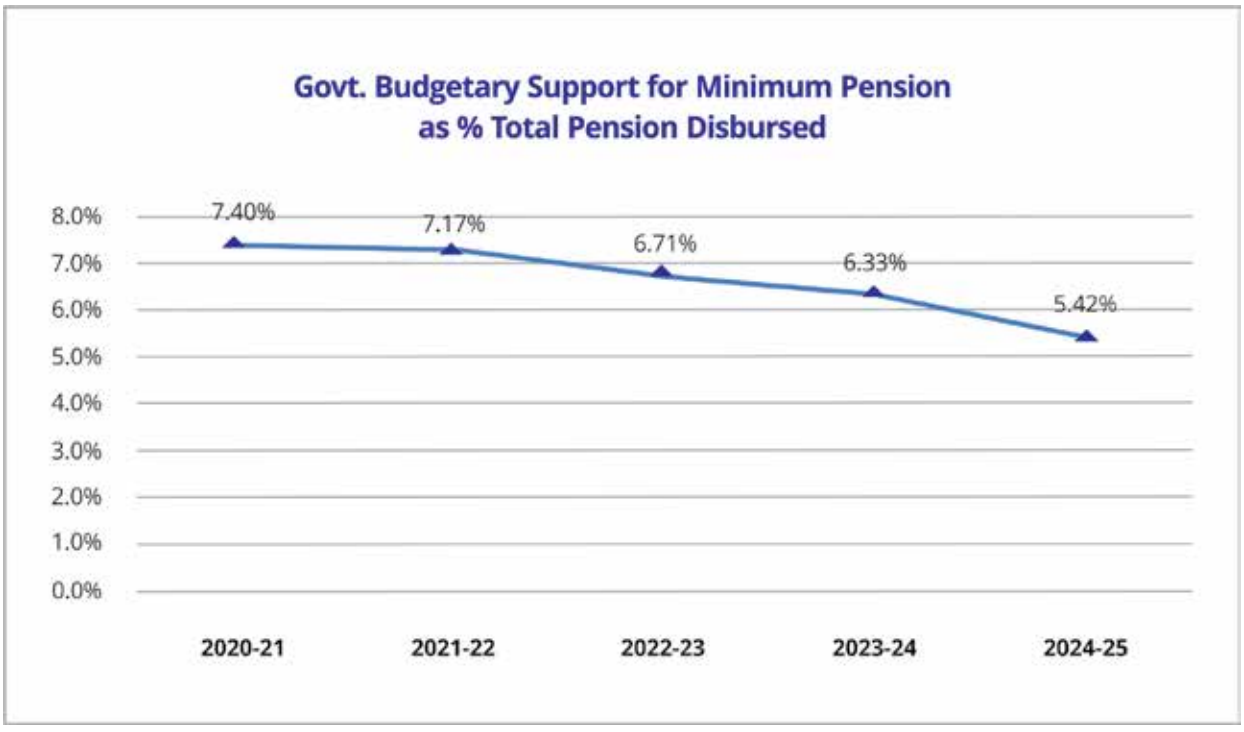

During the year 2014-15, long-awaited demand for a minimum pension was implemented. The Central Government issued Gazette Notification No. G.S.R. 593(E) dated 19.08.2014 and G.S.R. 603(E) dated 16.06.2016 providing a minimum pension of Rs.1,000/- per month for member / widow(er) / disabled/ nominee/ dependent parent pensioners, Rs.750/- per month for orphan pensioners and Rs.250/- per month for children pensioners.

The payment of pension with the revised minimum pension applicable commenced from 1stSeptember, 2014. The details of pensioners benefited and the amount disbursed to them in the last five years are as follows:

Table 7: Beneficiaries and budgetary support for minimum pension of Rs.1000/-

Year	No. of Pensioners benefited	Pension payable as original pension (Rs. Crores)(A)	Pension Paid as per minimum pension notification (Rs. Crores)(B)	Budgetary Supporttowards minimum pension payable by Central Govt. (Rs. Crores) (B-A)
2020-21	19,70,670	1415.03	2315.7	900.67
2021-22	20,44,136	1421.57	2348.31	926.74
2022-23	20,55,878	1463.01	2432.77	969.76
2023-24	20,64,693	1437.24	2394.78	957.54
2024-25	20,67,502	1483.84	2479.59	995.75

After implementation of the minimum pension notification, the pension for all member/widow(er) / disabled/nominee/ dependent parent pensioners whose original pension were less than Rs.1,000/- p.m. have been fixed at the minimum of Rs.1,000/- p.m. Deductions on account of benefits availed by members on the basis of choice exercised at the time of making claims like Return of Capital and Short Service are applied on the minimum pension of Rs.1,000/- p.m. The determination of pension under EPS, 1995 after implementation of the minimum pension notification is in consonance with the provisions of the scheme as well as the amendments introduced thereto vide the minimum pension notification referred above. Allowing the minimum pension of Rs.1,000/- p.m. without regard to deduction on account of Commutation, Return of Capital etc. would be iniquitous and unfair vis-à-vis the members/pensioners who had not taken these benefits at the time of claim and opted to take only the original pension without any optional benefits.

The month-wise details of Pensioners benefited from minimum pension of Rs.1000/- per month for the year 2024-25 is given in **Appendix-2(xiii).**

Actuarial Valuation of EPS, 1995

2.18 As per Para 32 of the Scheme, a Valuer is appointed by the Central Government for annual valuation of Employees' Pension Fund. The 22nd and 23rd actuarial valuation of Pension Fund as on 31.03.2017 & 31.03.2018(year 2017-18 and 2018-19) has been completed. The Valuer for 24th, 25th & 26th valuation for the year 2019-20, 2020-21 & 2021-22 has been appointed and valuation as on 31.03.2020 is under finalization stage. Further, valuation as on 31.03.2021 & 31.03.2022 is under process. Summary of results of previous valuations is given in Appendix-2(xiv).

Pension Disbursement

2.19 EPFO rolled out Centralised Pension Payment System (CPPS) pan India Since Jan 2025. The CPPS is a paradigm shift from the earlier pension disbursement system that was decentralized, with each Zonal/Regional Office of EPFO maintaining separate agreements with only 3-4 banks.

CPPS empowers pensioners to access their pension seamlessly from any bank, any branch, anywhere in the country.

EPFO is establishing alternate mechanism and channels for providing other required services to pensioners.

Advantages of CPPS:

1. This transformative initiative empowers pensioners to access their pension seamlessly from any bank, any branch, anywhere in the country.

2. It would ensure disbursement of pension throughout India without any need for transfer of Pension Payment Orders (PPO).

3. Now transfer of PPOs will no longer be required from one office to another even when the Pensioner moves from one location to another or changes his bank or branch. This would be a great relief to pensioners who move to their hometown after retirement.

4. There would be automation of reconciliation of all payments and confirmation regarding credit of pension is received automatically. This enables quick and pro-active action for cases where pension payment may have failed due to closed or invalid bank account of the pensioner.

5. A specialized cell named Centralized Pension Payment and Reconciliation Centre (CPPRC) has been setup to manage the operations and to ensure smooth functioning of CPPS.

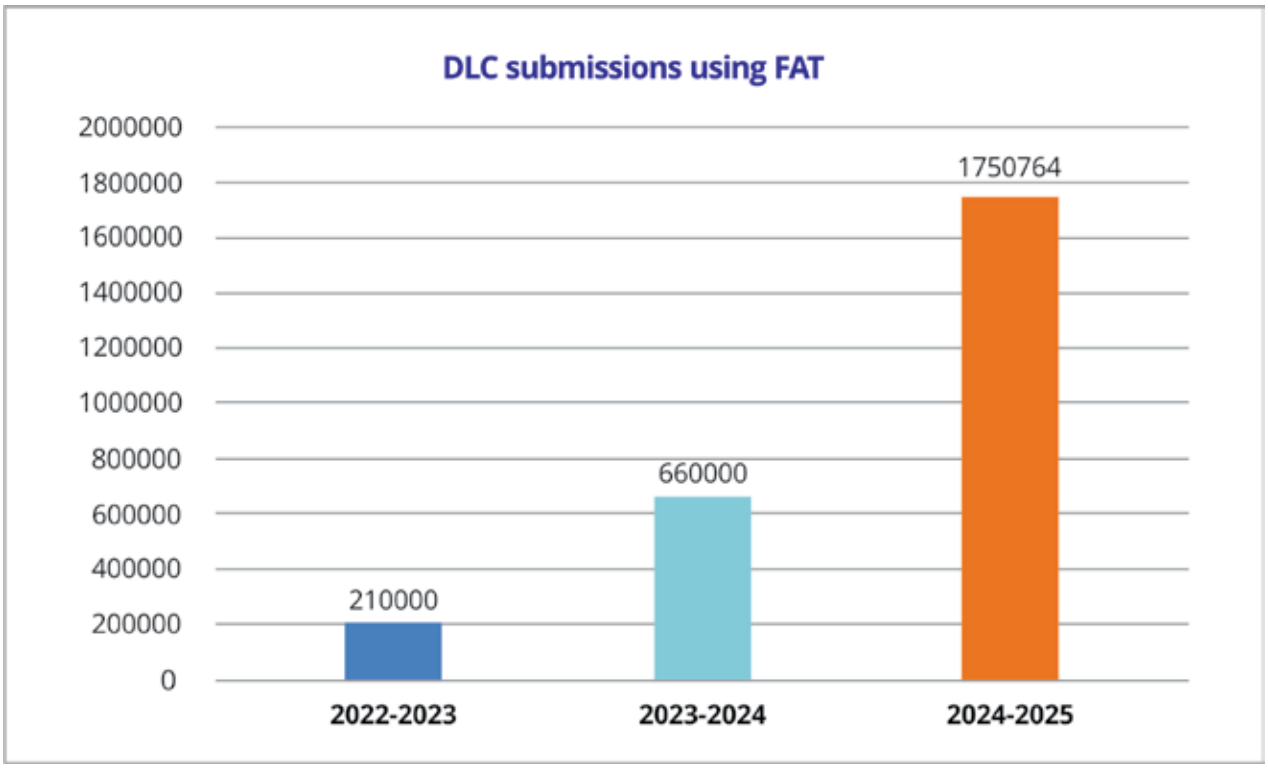

2.20 Important developments related to EPS, 1995

i) DLC submission using Facial Authentication Technology (FAT)

Pensioners can now submit Digital Life Certificate (DLC) using FATby using Smart Phone anytime anywhere. The use of this innovative and convenient technology for the purpose of EPS pensioners' DLC was embedded in EPFOs software in July, 2022.

Since its launch at EPFO, FAT based DLCs submissions have grown consistently.DLC using FAT were submitted by 6.6 lakh EPS pensioners in 2023-24, that rose to 17.5 lakh in 2024-25 which reflects a growth of 200% year-on-year in the use of this technology. Now more than 50% of DLC submissions in EPFO are being done through FAT, and this ratio is steadily increasing.

Detailed instructions have been issued to all the field offices to ensure that the new method is made popular among more and more pensioners. The process is regularly explained to the pensioners not only in the field offices but also during Nidhi Apke Nikat programme being held in all districts throughout India since January, 2023. A detailed video on using this technology is available on official YouTube handle of EPFO @SOCIALEPFO.

ii) PRAYAAS

It is an endeavor for handing over PPOs to members of EPS, 1995 on the day of their superannuation. Every fortnight, a webinar is conducted by Regional Offices for EPS, 1995 members, who are superannuating within three months in which their employers are also invited. A dashboard has also been provided to all RO to assist in this initiative and for follow up of members who are soon going to superannuate. The purpose of these Webinars is to educate the members of the EPS, 1995 and their employers so that they can submit the Pension claims complete in all respects and PPO can be issued to such members on the day of superannuation. In FY 2024-2025 total of 12,705 PRAYAAS cases were settled.

iii) Pension on due basis

EPFO launched this initiative in August 2022 to identify those members and their wards who were eligible for pension and insurance benefits but could not get due to various reasons such as unawareness, technical issues etc. A dashboard has been now made available to all field offices readily providing data so that they can verify and assist members in filing the claims.

Modification in Employees' Pension Scheme, 1995

1. Vide GSR 327 (E) dated 14.06.2024 w.e.f 14.06.2024,provisions in EPS 1995 and how the rate of damage is levied i.e Para 5 (Recovery of damages for default in payment of any contributions) have been amended.
2. Vide GSR 325 (E) dated 14.06.2024, Table B has been extended.
3. Table D i.e, Return of contribution on exit from employment has been amended vide GSR 326 (E) dated 14.06.2024. Now withdrawal benefits are available even for 1 month contribution. Corresponding factors which were earlier available only in terms of years of service have

been converted into months. Thus months of service vary from 1 to 113 & corresponding proportion of wage at exit range from 0.08 to 9.33.

2.21 Pension on Higher Wages

A. Steps taken to facilitate members/ pensioners/employers in the process:

i. In compliance of the Hon'ble Supreme Court order dated 04.11.2022, an online facility was provided whereby total a 17.49 lakh Applications for Validation of Joint Option/ Joint Options were successfully submitted by the applicants till last date i.e. 11.07.2023.

ii. The timeline for employers to submit Applications for Validation of Joint Option/ Joint Options with wage details to EPFO had ended on 31.05.2024 with 3.11 lakh applications still pending with the employers. Employers requested for extension of time and the timeline was further extended with the approval of Chairman, CBT till 31.01.2025. A total of around 15.24 lakh applications were received in EPFO till 31.01.2025.

iii. EPFO Head Office is regularly monitoring the processing of Applications for Validation of Joint Option/ Joint Options by the Field Offices. The work is also being monitored at ACCs (Zone) level on a daily basis.

iv. Initially the pace for disposal of Pension on Higher Wages was slow because Regional Offices were having doubts regarding some important decision points. The pace had picked up after issuance of key clarifications with the approval of MoL&E in e-file 951977 which are as follows:

Issue	Clarification/ Approval
Pension computation on Pro-rata basis	The pro-rata calculation of pension is provided in Para 12 of the EPS and is equitable, treating both categories of pensioners i.e. pensioners under wage ceiling and those with higher wages on an equal footing. Further, the Hon'ble Supreme Court had also not found the same ultra-vires. Accordingly, MoL&E has agreed with the computation of pension on pro-rata basis for the Pension on Higher wages cases.
Exempted Establishment's eligibility for PoHW to be based on Trust Rules	The eligibility for PoHW cases should be determined on the basis of the extant trust rules of the exempted establishment, in consonance with the directions of Hon'ble Supreme Court in Sunil Kumar case. Further, in case the Trust rules are amended post decision dated 04.11.2022 in Sunil Kumar Case, applications of members of such Trusts may not be considered.
Netting of PoHW Dues against Pension Arrears	The eligibility for PoHW is crystallized only when the dues (with interest) have been received in the pension fund and netting of these dues against the pension arrears may not be appropriate. That apart, it would also create issues with deduction of tax at source as the pension arrears as well as the higher wage pension would attract TDS as well as tax in the hands of the pensioner.

Issue	Clarification/ Approval
Reckoning wage arrears that are payable retrospectively	The revision of wages with retrospective effect were not deliberate or willful default on part of the employers. Therefore, such wages should be accounted for against the respective months for which the arrears were meant. In such cases, it would not be appropriate to recover damages under section 14B. However, the interest on such dues (either from EPF Contribution or through Demand Letters) may be recovered up to the date of retirement/cessation of membership of EPS-95, whichever is earlier.

v. Offices were further clarified that the Regional Office, where the establishment was covered under section 1 (3) of the EPF and MP Act, 1952 and from where exemption was granted will decide about the eligibility of Pension on Higher Wages in reference of the Trust Rules as clarified vide circular dated 18.01.2025 and all Regional Offices where the branches under section 2A are reporting compliance and participating in the same trust, will adhere to such interpretation without deviation.

vi. Knowledge Sharing Sessions were also held by Pension Division, HO with all Zonal/Regional offices. Issues clarified during the sessions are as follows:

Issue	Clarification
Eligibility of applicants retired prior to 01.09.2014	Only those applicants are eligible in this category who had earlier opted for Pension on Higher Wages under para 11(3) and the option was rejected by the Field Office. Detailed instructions already issued must be followed and rejection shall be done by RPFC-I only with a speaking order.
Proof of Joint Option under para 26(6) of PF Scheme, 1952	The instructions issued vide circular dated 14.06.2023 to be followed regarding procedure to be followed for scrutiny regarding para 26(6) in other wise eligible cases. The same shall apply for exempted establishments.
Missing wage details for some period	The data/ details filled by the employers should be matching with the records available with the offices i.e. mismatches with EPFO records need to be carefully addressed. However, where there is no record with EPFO, the question of mismatch does not arise. In such cases, the teams constituted for verification shall ensure that the provided wage details do not appear prima-facie manipulated. Depending on case to case basis, the team shall arrive at reasonability of the wages. If for short period wages are not available, the higher of the wages just prior to or after such period may be allowed.

Issue	Clarification/ Approval
Cases where applicants switched employment after submitting PoHW application	In these cases if the new establishment is covered in some other office then the processing of the application will still be done by the previous office where application has come and once the demand amount is deposited the next office shall be provided revised transfer details.
Further compliance after deposit of demand amount	For such members who are in service, further compliance on higher wages shall also be ensured and employers shall be suitably educated.
Applicability of Deferred Pension in PoHW cases	The provision of Deferred Pension is applicable only up to wage ceiling. However, in cases where applicant is eligible for Pension on Higher Wages and had earlier opted for Deferred Pension, the contribution received after 58 yrs of age shall be adjusted in the Demand Amount and only superannuation Pension w.e.f. 58 yrs of age on Higher Wages will be paid.
Cases where contribution was received on wages above wage ceiling i.e. Rs.6,500/- but was on wages less than Rs.15,000/- till 01.09.2014 and crossed the ceiling of Rs.15,000/- afterwards	If the wages on which contribution was received were above wage ceiling earlier but the wages did not exceed wage ceiling i.e. Rs.15,000/- on 01.09.2014 and later crossed the ceiling, such cases shall be eligible for Pension on Higher Wages subject to fulfillment of all other requirements.
Component of salary on which contribution received on higher wages	If the employer has contributed on higher wages on any component throughout the contributory period then these cases shall be eligible for pension on higher wages.

vii. Functionality to pull-back cases referred to employers for clarifications provided to Field Offices to enable them to take further actions on the application.

viii. To ensure timely disposal, offices were also allowed to engage 2 DEOs on outsourcing basis for every 5,000 Pension on Higher Wages cases or part thereof.

ix. Evaluation of sample data of around 38,000 applicants for Pension on Higher Wages shows deficit of around Rs. 9,500 crores i.e. approximately Rs.25 lakh per person.

B. The status of applications received and their processing and disposal at the end of the financial year is as follows:

PoHW	Application for Validation of Option	Joint Option	Total
Total Applications	4.1 lakh	13.39 lakh	17.49 lakh
Applications not forwarded by employers	1.14 lakh	1.10 lakh	2.24 lakh

2.22 Employees' Deposit Linked Insurance Scheme (EDLI) Scheme, 1976

The Employees' Deposit Linked Insurance Scheme (EDLI) Scheme, 1976 has been enacted under section 6C of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. It aims to provide life insurance coverage to employees who are members of the Employees' Provident Fund (EPF) Scheme.

2.23 Objective

The primary objective of the EDLI Scheme is to incentive savings in Provident Fund account and provide for financial protection to the families of EPF members in the unfortunate event of the member's untimely demise. It ensures that the dependents receive a lump sum amount, providing a measure of economic support during a difficult time.

2.24 Applicability

The Employees' Deposit Linked Insurance Scheme, 1976 is applicable to the employees of all factories/establishments to which the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 applies. All eligible employees who contribute to the EPF are automatically covered under the EDLI Scheme. The provisions of this Scheme are not applicable to:

1. Tea factories/plantations in the State of Assam;
2. Establishments for which exemption is granted under Section 17(2A) of the Act;
3. Any person or class of persons to whom exemption is granted under Para 28 of the Employees' Deposit Linked Insurance Scheme, 1976.

2.25 Contributions

1. The members of the Employees' Deposit Linked Insurance Scheme, 1976 are not required to contribute any amount as their share to the Insurance Fund.
2. The employers of covered establishments are required to pay every month to the Insurance Fund, contributions at the rate of 0.5% of the basic wages, D.A. (including the cash value

of food concession) and retaining allowance, if any, actually drawn during the whole month whether paid on daily, weekly, fortnightly or monthly basis.

3. Where the monthly pay of a member exceeds Fifteen thousand Rupees, the contribution payable in respect of him by the employer shall be limited to the amount payable on a monthly pay of Fifteen thousand Rupees including Dearness Allowance, retaining allowance (if any) and cash value of food concession.
4. No contribution is payable by the Central Government into the Employees' Deposit Linked Insurance Fund.

2.26 Beneficiaries to whom benefits are payable.

The e-nomination made by a member under the EPF Scheme 1952 shall be treated as the nomination under the Employees' Deposit Linked Insurance Scheme, 1976 as per Para 23 of EDLI Scheme and the assurance amount shall become payable to such nominee or nominees.

If no nomination subsists or if the nomination relates only to part of the amount standing to the credit of a deceased member, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall become payable to the members of his family in equal shares or the person legally entitled to it as per provisions of the EDLI Scheme.

2.27 Quantum of Assurance Benefits under the Scheme

The following benefits to the family are provided in case of death of an employee who was a member of the scheme at the time of his/her death:-

i. The family will get an amount equal to the average balance in Provident Fund account during preceding 12 months or during the period of his membership, whichever is less; except where the average balance exceeds rupees fifty thousand, the amount payable shall be rupees fifty thousand plus 40% of the amount in excess of rupees fifty thousand subject to a ceiling of rupees one lakh. The benefit will be further increased by twenty percent.

ii. Where the deceased member was in employment for a continuous period of twelve months, preceding the month in which he died, the quantum of benefits will be the average monthly wages drawn (subject to a maximum of Rs. 15,000/-) during the twelve months preceding the month in which employee died, multiplied by thirty five plus fifty percent of the average balance in the Provident Fund account of the deceased during the preceding twelve months subject to a ceiling of one lakh and seventy five thousand rupees. The minimum amount of assurance benefit payable for continuous service rendered for more than 12 months is rupees two lakh and fifty thousand and a maximum amount is rupees seven lakh.

2.28 Administrative & Inspection Charges:

No charge is payable by the employer towards the administration of the Employees' Deposit Linked Insurance Scheme, 1976 with effect from 1st April, 2017.

Inspection Charge @ 0.005% of the aggregate of the basic wages, dearness allowance (including the cash value of any food concession) and retaining allowance, if any, subject to a minimum of Re.1/- per month, is payable by the employers of establishments exempted from the EDLI Scheme.

2.29 Actuarial Valuation of EDLI Fund

i. Since EDLI Fund is a pooled fund of contributions, the actuarial valuation is necessary to ensure the sufficiency and solvency of the fund. Depending on the results of the Valuation, changes can be made in the rate of contribution or the assurance benefits.

ii. Employees' Deposit Linked Insurance (EDLI) Fund was last valued as on 31.03.2023 and the valuation results were as under:

Valuation as on	31.03.2023
Present Value of Obligation	Rs. 67,056 Cr
Present Value of Contribution	Rs. 31,777 Cr
Value of Corpus as at Valuation date	Rs. 41,665 Cr
(Surplus)	Rs. 6,386 Cr

2.30 Important Amendments to the EDLI Scheme vide G.S.R No. 715(E) dated 18.11.2024:

i. Continuation of enhanced minimum assurance benefit of Rs. 2.5 lakh retrospectively w.e.f. 28.04.2024.

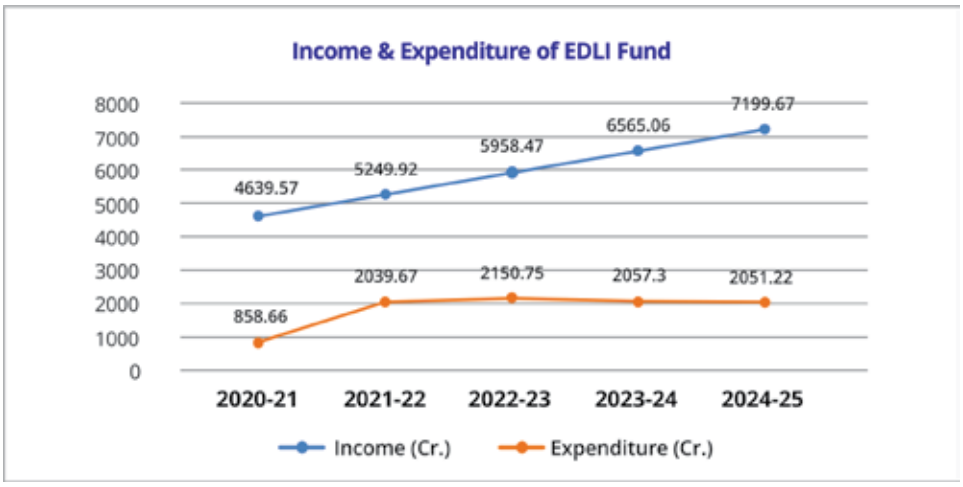

ii. Continuation of enhanced maximum assurance benefit of Rs. 7 lakh retrospectively w.e.f. 28.04.2024.

iii. The minimum and maximum assurance benefits will be payable to members who were in employment for a continuous period of 12 months preceding the month in which the member died irrespective of change of establishment during the said period.

* Settlement Time as per Citizens' Charter is aspirational and is over and above the time-limits statutorily mandated by the Schemes framed under the EPF & MP Act, 1952.

Stakeholders

i. The service standards mentioned in the three Schemes under the EPF & MP Act, 1952 will be applicable to EPFO stakeholders, namely, the employees, employers and pensioners

ii. EPFO is now disaster proof and therefore it promises to maintain the service standards even during times of disasters owing to floods, earthquakes, epidemics etc in any part of the country.

3.3 Expectations From New Members

i. Create a UAN based login (if the UAN has been allotted for the first time) and link ones' KYC(s) including Aadhaar.

ii. In order to avail auto-transfer of accounts, submit UAN with details of previous membership of Fund to the present employer.

iii. File e-nomination and get demographic details updated to avail services in a seamless manner.

iv. Furnish bank account and PAN details along with other KYC details online against UAN.

3.4 Expectations From Existing Members :-

i. Refer to Frequently Asked Questions (FAQs) available on EPFO website to understand the process of availing benefits, URLs for FAQs:

https://www.epfindia.gov.in/site_en/FAQ.php

ii. Become aware of due benefits through Pension & EDLI calculators.

iii. In case of death of the member, the nominee/legal heir/dependent must approach EPFO to receive due benefits under various schemes.

3.10 Summary of Statistical Abstract (2024-25) is given in the Appendix-3(xiv)

COMPLIANCE MANAGEMENT IN EPFO

04

COMPLIANCE MANAGEMENT IN EPFO

4.1 The EPF & MP Act, 1952 is a social welfare legislation enacted with a view to extend social security benefits in the form of Provident Fund, Pension and Insurance to the workforce of the country engaged in the factories in notified industries and class of establishments notified to which the statute applies. The schemes under the legislation also cater to the interest of international workers.

Role of Compliance

4.2 The role of compliance begins with coverage of establishments under sections 1(3) (a), 1(3) (b), or Section 1(4) of the Act. After coverage, the employers of the establishments are required to comply with the provisions of the Act and the Schemes framed thereunder by enrolling their employees as "members" of the fund, deducting contributions from their salaries and depositing the same to the fund along with their matching contributions & filing prescribed returns. The employers are also required to deposit their contribution towards Administrative/ Inspection Charges under the Act.

4.3 Action in case of non-compliance

There may be the following types of issues of non-compliance on the part of the employers:

- Dispute of applicability of the Act;
- Non-payment / delayed payment of dues.
- Non-enrollment of all eligible Members.
- Non-submission of returns and other documents.

The following actions are provided in the Act to secure compliance:-

i. **Inquiry under section 7A –** For deciding applicability of the Act in case of disputes or for determination of amounts due from any employer under the provisions of this Act, the Provident Fund Scheme, the Pension Scheme or the Insurance Scheme, as the case may be, inquiries under Section 7A are provided. Inquiries under the Act are judicial proceedings with powers for enforcing the attendance of any person or examination on oath, requiring the discovery and production of documents, receiving evidence on affidavit, and issuing commissions for the examination of witnesses under the Code of Civil Procedure, 1908.

(The data regarding Initiation and disposal of Assessment Cases under Section 7A of the Act and Periodicity of Pending 7A cases are placed at **Appendix-4(vii)** and **4(viii)** respectively).

ii. **Action under section 7Q –** Simple interest at the rate of 12% per annum or at such higher rate as may be specified in the Scheme is payable on any amount due from the employer under the Act from the date on which the amount has become due till the date of its actual payment.

(The data regarding Interest u/s 7Q in respect of all three schemes (Unexempted) (in cr.) is placed at **Appendix-4(ix)**).

iii. Action under section 14B– Levy of damage for belated remittance of contributions from any employer or transfer of accumulations required to be transferred by him under sub-section (2) of

Section 15 or sub-section (5) of Section 17 or in the payment of any charges payable under any other provision of this Act or the Schemes framed thereunder after giving a reasonable opportunity of being heard, and at such rates as specified in the Schemes.

(The data regarding Cases of Levy of Damages u/s 14B (Unexempted) and Levy of damages u/s 14B in respect of all three schemes (Unexempted) (in cr.) are placed at **Appendix-4(x)** and **4(xi)** respectively).

iv. **Action under section 8B to 8G –** Issue of prohibitory orders to third parties including post offices, bankers, insurance companies, etc. to withhold any payment due and to remit the same to the fund for appropriation against dues. In addition assets may be attached & sold and even arrest & imprisonment may be resorted to.

v. **Action under section 14 –** Filing of prosecution against the defaulting employers before the appropriate courts of law for offences like non- payment of dues, non-submission of statutory returns, making or causing to make false statement or representation, contravening any condition subject to which exemption was granted and for committing same offence repeatedly or any other contravention of any provision of the Act or Schemes framed thereunder.

(The data regarding Prosecution Cases under Section 14 of the Act (Unexempted) (EPF Scheme) is placed at **Appendix-4(xiii)**).

vi. Action under para 76 of the EPF Scheme 1952

Punishment (s) for failure to pay a contribution, etc., if any person:-

a) deducts or attempts to deduct from the wages or other remuneration of a member the whole or any part of the employer's contribution, or

b) fails/refuses to submit any return, statement, or other document required by this scheme or submits a false return, statement or other documents, or makes a false declaration, or

c) obstructs any Inspector or other official appointed under the Act or this Scheme in the discharge of duties or fails to produce any record for inspection by such inspector or other officials, or

d) is guilty of contravention of or non-compliance with any other requirement of this Scheme, shall be punishable with imprisonment which may extend to one year, or with a fine which may extend to four thousand rupees or with both.

vii. Action under the Indian Penal Code 1860

a) Complaint under section 406 - Punishment for criminal breach of trust:- Whoever commits criminal breach of trust shall be punished with imprisonment of either description for a term which may extend to three years, or with a fine, or with both.

b) Complaint under section 409 - Criminal breach of trust by a public servant, or by banker, merchant or agent - whoever, being in any manner entrusted with property, or with any dominion over the property in his capacity of a public servant or in the way of his business as a banker, merchant, factor, broker, attorney or agent, commits criminal breach of trust in respect of that property, shall be punished with imprisonment for life or with imprisonment of either description for a term which may extend to ten years, and shall also be liable to fine.

Filing cases U/s 406/409 of the IPC 1860 with police or courts against the employers who fail to remit the employees' contribution to the Provident Fund after deducting the same from wages/ salary of their employees which amount to 'criminal breach of trust' and is a cognizable offence.

(The data regarding Cases before the Police Authorities under Section 406/409 of IPC (Unexempted) and Cases before various Courts under Section 406/409 of IPC (Unexempted) are placed at **Appendix-4(xvi)** and **4(xvii)** respectively).

viii. Action under section 110 CrPC – Requiring the employers who habitually fail or attempt to fail in making payment of provident fund and allied dues to execute the bond, with sureties, for 'good behaviour' with the Executive Magistrate.

4.4 e-Governance initiatives

i) Common online registration of establishments on the Shram Suvidha Portal.

ii) Facility for auto calculation and deposition of interest under Section 7Q (interest) and damages under Section 14B of the Act.

iii) Facility to see the compliance status of any registered establishment online on the 'Establishment Search Portal'.

iv) Compliance e-proceedings -

- E-proceedings management system for inquiries under the EPF & MP Act, 1952 is enabled through the Compliance e-Proceedings Portal.
- All Field Offices initiate and conduct all inquiries only through Compliance e-Proceedings Portal.
- Since 01.10.2020, EPFO has initiated virtual quasi-judicial hearings to enable fast, faceless, and convenient dispute resolution. This has facilitated e-notices, online proceedings, and remote participation for employers and employees.
- URL of Compliance e-Proceedings Portal to enable the employer to know case status including next date of hearing & daily orders-https://eproceedings.epfindia.gov.in/epfo/public/caseenowisesearch.php.

v) Principal Employers Functionality:

EPFO launched an online facility enabling Principal Employers to monitor EPF compliance of their contractors, further enhanced by Principal Employers' Functionality 2.0 (from 12.03.2022) allowing contractors to declare PEs and contract details.

4.5 Special Achievement during the Financial Year 2024-25:

Revised Rates of penal damages to a uniform rate of 1% per month on delayed remittances

Timely remittances are crucial for the effective functioning of a pension or provident fund, as they ensure proper management of investments and maximize returns for its members. Delays in remitting contributions not only result in interest losses but also create uncertainties in investment planning. To address this issue and discourage delayed contributions, penal damages were introduced as a deterrent.

Until 13-06-2024, the Employees' Provident Fund Organisation (EPFO) levied penal damages on delayed remittances at rates ranging from 5% to 25% per annum, depending on the duration of the delay (up to 2 months or exceeding 6 months).

Effective from 14.06.2024, the EPFO has revised the rates of penal damages to a uniform rate of 1% per month on delayed remittances; the penal damages however cannot exceed the total amount of arrears.

The introduction of this uniform rate aims to simplify the calculation of penal damages and encourage timely compliance by employers. By reducing the rate to 1% per month, the EPFO seeks to enhance the recovery of arrears and minimize litigation, while maintaining a strong deterrent against delayed remittances.

Central Analysis and Intelligence Unit (CAIU)

4.6 EPFO has set up a Central Analysis and Intelligence Unit (CAIU) in the Head Office for collecting and analyzing field level data for a transparent and accountable labour inspection system. The cases forwarded through Central Analysis & Intelligence Unit (CAIU) of EPFO are based on data and evidence.

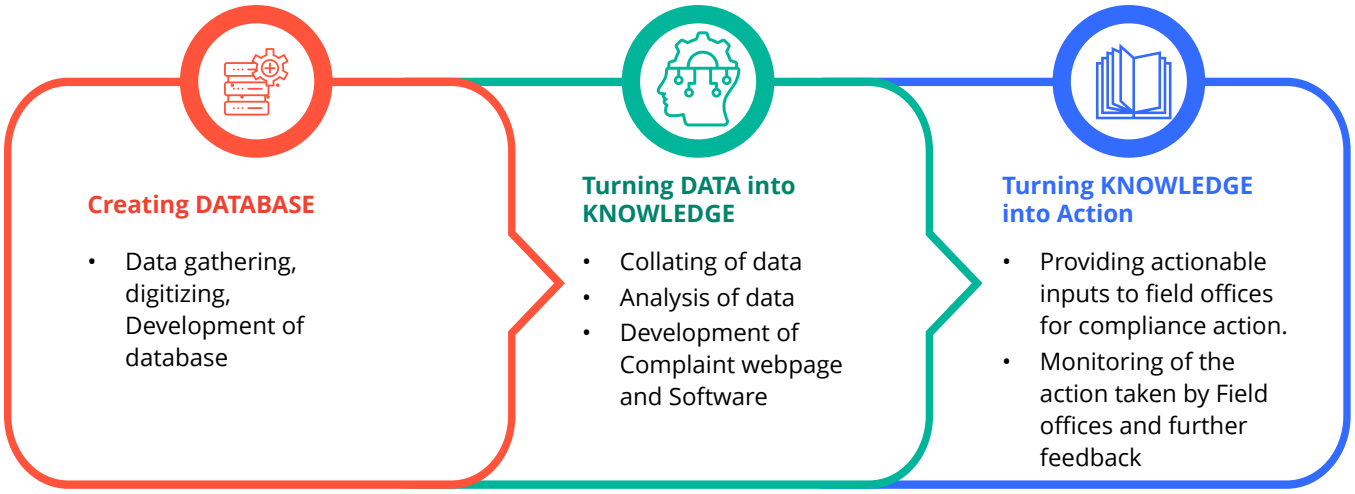

Objective of CAIU - The broad objective of Central Analysis and Intelligence Unit (CAIU) have been defined as follows:

i. To introduce an effective e-governance system in the compliance setup of EPFO and to ensure a transparent and effective service delivery mechanism for its stake-holders.

ii. Creation of database for targeted monitoring of establishments to achieve an optimum level of coverage of establishments and membership by developing linkages with other enforcement agencies.

iii. To act as the nodal agency for facilitating compliance, tracking, monitoring and initiating default control measures under the provisions of the EPF & MP Act, 1952.

4.7 Basic Processes involved in the work are as follows:

4.8 Steps taken by CAIU so far:

i) The 'Inspector Manual' has been revamped and updated as 'Manual for Inspector Cum Facilitator' which will promote ease of doing business and facilitate all stakeholders. The comprehensive manual comprises of 16 chapters, each meticulously designed to cover the entire work sphere of an 'Inspector cum Facilitator'. From regulatory oversight to fostering compliance and from outreach initiatives to building essential liaisons, the manual serves as a guiding compass for EPFO's field functionaries and further ushers in promoting Transparency, Integrity and Efficiency in the functioning of Inspectors. The manual is also updated with the latest provisions of Bharatiya Nyaya Sanhita Act (BNSS), 2023; the Bharatiya Sakshya Adhiniyam (BSS), 2023; and the Bharatiya Nagarik Suraksha Sanhita (BNSSS), 2023. The Hon'ble Minister, Ministry of Labour & Employment, launched the revamped Inspector cum Facilitator Manual on 14/08/2024.

ii) For better administration of the system of processing request for permissions for optional inspections and monitor investigation into complaints regarding non-compliance, each Zonal Office now function as extended arm of the CAIU EPFO (HO) to accord permissions to Regional Offices for carrying out inspections in all types of cases other than the mandatory inspections as listed in the EPFO. Further the ZOs are required to scrutiny the cases based on the extant guidelines and grant permissions.

iii) Web facility for registering complaints and requests for permission to carry out optional inspections introduced in CAIU Login of the Zonal & Regional Offices. The facility allows real time tracking of the status of complaints relating to evasion and non-compliance as well as the status of inspections for other cases.

iv) Standard Operating Procedure (SOP) for Inspection of Establishments is in place to formalize the mechanism of inspections. The SOP involves data-based identification of defaulting establishments, nudging of the identified defaulters by means of SMS/emails and randomized selection of establishments for Inspections. This enables to create a transparent, objective and robust Inspection System for ease of compliance for employers while effectively protecting workers' social security rights.

v) The Employees' Provident Fund Organisation (EPFO) payroll report, initiated in April 2018 under directions from the Ministry of Statistics and Programme Implementation (MoSPI), covers a segment of the organized sector workforce governed by the EPF & MP Act, 1952. Data Analytics Unit of CAIU is involved in timely Publication of monthly EPFO payroll data.

In monthly payroll data, the count of members joining EPFO for the first time through Aadhaar validated Universal Account Number (UAN), existing members exiting from coverage of EPFO and those who exited earlier but re-joined as members, is taken to arrive at net monthly payroll.

Net Payroll addition = New subscribers – Exited members + Rejoined members

From the month of April 2018, EPFO has been releasing payroll data covering the period September 2017 onwards. In monthly payroll data, the count of members joining EPFO for the first time through Aadhaar validated Universal Account Number (UAN), existing members exiting from coverage of EPFO and those who exited earlier but re-joined as members, is taken to arrive at net monthly payroll.

Details of Month-wise New subscribers and Net Payroll addition for financial year 2024-25 is mentioned in the below table:

Wage Month	Number of New EPF Subscribers	Net Payroll addition
Apr-2024	9,86,407	10,80,825
May-2024	10,63,863	10,84,201
Jun-2024	10,93,374	10,73,009
Jul-2024	11,42,514	12,32,256
Aug-2024	10,10,064	10,11,380
Sep-2024	10,19,931	10,05,100
Oct-2024	8,14,697	5,25,399
Nov-2024	9,39,476	8,64,181
Dec-2024	9,06,077	9,95,803
Jan-2025	8,74,008	13,20,866
Feb-2025	7,86,451	13,27,485
Mar-2025	7,54,439	14,57,663
Total	**1,13,91,301**	**1,29,78,168**

*Note: It is submitted that the EPFO Payroll Data is provisional as updation of employee's records is a continuous process and gets updated in subsequent month/s. At the end of each financial year, payroll data is freezed & in the published figures, no further updation is considered. However, the published figures do undergo changes.

EXEMPTION

4.9 Introduction:

Under Section 17 of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952, certain establishments known as "Exempted Establishments" are exempt to manage their provident fund scheme. The exemption is granted by the appropriate Government- Central Government or the State Government as the case may be. Exemption is granted to any establishment to which the Act applies if the rules of the provident fund with respect to the rates of contribution of such an establishment are not less favourable than those specified in Section 6 and the employees are in enjoyment of other provident fund benefits which are not less favourable than the employees of the other establishments under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 or any scheme of a similar character. The provision for exemption came into effect from 14th October ,1953.

EPFO is the regulator for exempted establishments. The organization endeavours to ensure that the employees of such exempted establishments are not put to any disadvantage on account of grant of such exemption. The grant of exemption to establishments injects an element of competitiveness on a level - playing field between a publicly- delivered service vis- a- vis a privately -led service.

Exemption from operation of the Employees' Provident Funds Scheme, 1952 is granted, subject to specified terms and conditions of grant of exemption. The Central Government is the appropriate

Government for the establishments under the control of Central Government, railways, major ports, mines, oilfields, any controlled industry or any establishment having branches in more than one state. The State Government is the appropriate Government for any establishment situated in that state only.

4.10 Statutory Provisions

a) Grant of Exemption:

The appropriate Government, with prior consultation with the Central Board of Trustees, grants exemption to any establishment or class of employees by way of a notification in the Official Gazette. While the exemption to an establishment or a class of employees is ordered by the appropriate Government, for an employee the authority lies with the Commissioner on an application in a prescribed form. The conditions of exemptions are further governed through 31 terms and conditions prescribed in **Appendix 'A'** of paragraph 27AA of Employees' Provident Funds Scheme, 1952.

b) Cancellation and Surrender of Exemption:

In the event of non-compliance of the terms and conditions of exemption from the Employees' Provident Funds Scheme, the statute provides for the cancellation of such exemption under the provisions of Section 17(4) of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The cancellation is done by the authority which granted it, by way of an order, in writing.

In the changing business environment, it has been seen that many establishments do not prefer to continue with the responsibility of managing provident fund of their employees and have instead reposed trust in public governance of EPFO. Hence, in the year 2016, the Central Board of Trustees in its 215th meeting resolved to provide guidelines to regulate cases of surrender of Trust. This resolution forms the basis of accepting surrender of Trusts for reporting compliance with the EPFO.

In the event of cancellation or surrender of exemption, the employer has the responsibility to transfer the entire corpus to the accounts of the Central Board of Trustees, EPF. Besides, cancellation of exemption, other actions as stipulated under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 can also be initiated against the defaulting establishments as per provisions of the Act and Scheme framed there under .

c) Statutory duties of the Employers and Board of Trustees:

The employer shall establish a Board of Trustees for the administration of the provident fund consisting of such number of members as may be specified in the scheme. The said scheme shall delineate the terms and conditions of service of members of the Board of Trustees. Section 17(1A) of the Employees' Provident Funds & Miscellaneous Provisions Act, 1952 provides for certain duties of the Board of Trustees. The key duties include maintaining detailed accounts of each employee to show the contributions credited, withdrawals made, interest accrued, submission of returns, investing the provident fund monies in accordance with the directions issued by the Central Government from time to time; transfer of provident fund account of any employee and perform such other duties as may be specified in the Employees' Provident Funds Scheme 1952.

4.11 During the year 2024-2025, the Exempted Establishments Committee of CBT met twice in its 57th and 58th meetings and the Central Board also met twice in its 236rd and 237th meetings.

Major Achievements:

EPFO launched an online Module for surrender of exemption on 13.08.2024 - it is the first of the six modules under the EPFO Central IT System 2.0 that has been implemented in advance. It will replace the earlier system of physical submission with voluminous documents and enable the establishment to track its application with a tracking ID. This facility will ensure ease of doing business by reducing the time and effort by providing facilities such as online submission of application, validation of applications and transfer of past accumulations of the members.

Recovery of Arrears in EPFO

4.13 Provisions for recovery of amount due from employers were inbuilt in the Employees' Provident Funds Ordinance, 1951, the Employees' Provident Funds Bill, 1952 and the Act. As per the modes of recovery provided, any amount due from an employer in respect of any contribution payable under this Act or towards the cost of administering the Fund payable under any Scheme could be recovered by the Appropriate Government in the same manner as arrears of land revenue. Requisitions used to be sent to the Certificate Officers/Revenue Officers of the respective State Governments for recovery of any money due from an employer in respect of any contribution payable under this Act or towards the cost of administering the fund payable by him under any Scheme. The pace of recovery was very slow as there was no control over the State Governments. Therefore, evolving an institution of independent recovery machinery within the Organisation was thought of. Accordingly, Section 8 of the Principal Act was amended by the EPF & MP (Amendment) Act, 1988 (33 of 1998) and in the Principal Act, for the words "by the Central Provident Fund Commissioner or such other officer as may be authorized by him, by notification in the Official Gazette, in this behalf, in the same manner as an arrear of land revenue", the words, figures and letters "in the manner specified in Sections 8B to 8G" were substituted. Definition and role of 'Recovery Officer' were inserted in the Act by the said amendment of 1988 effective from 1st August 1988. As a result, independent recovery machinery was put in place from 1st July, 1990 and RPFCs were notified as Recovery Officers by name. From 4th March 1997, all the RPFCs and APFCs working in the Regional/Sub Regional Offices located at different States and in Headquarters of the Organisation have been notified to act as Recovery Officers. Notification No. S.O. 796 dated the 4th of March 1997 was published in the Official Gazette on 22nd March 1997 to that effect.

For augmenting recovery, a Directorate of Recovery has been created at the Head Office level which is directly monitoring the performance of the field functionaries in the area of recovery. Following recovery actions are provided in the statute against the defaulters:

i. Attachment and sale of movable or immovable property of the establishment or, as the case may be, of the employer.

ii. Arrest of the employer and his detention in prison; and

iii. Appointing receiver for the management of movable or immovable properties of the establishment or, as the case may be, the employer.

Arrear Management During the Year

4.14The scheme-wise details of assessed arrears, amounts recovered and closing balance during the year 2024-25 are as under:

(Rs. In cr.)

ARREARS TO BE RECOVERED				
Type of Dues		**Workload**	**Realised**	**Closing Balance**
a.	Provident Fund	13362.90	2317.79	11045.10
b.	EPF Administration & Inspection Charges	774.78	126.68	648.11
c.	Pension Fund	6694.44	1027.24	5667.20
d.	Insurance Fund	1260.55	120.94	1139.60
e.	EDLI Administration & Inspection Charges	45.22	4.31	40.91
f.	**TOTAL (a to e)**	**22137.89**	**3596.96**	**18540.92**
g.	Penal Damages and Interest	9203.54	1989.42	7214.12
h.	Exempted Sector	4755.91	948.99	3806.92
GRAND TOTAL (F & H)		**26893.80**	**4545.95**	**22347.84**

* In the Annual Report of 2023-24, interest & damages (at point g) was already added in Point no- f [i.e. Total (a to e)], which was again inadvertently incorporated as Grand total in last column, leading to double entry of the said amount. Accordingly, same has been rectified in the above table.

The Zone-Wise details are given in Appendices- **4(i) to 4(iii) , 4(ix), 4(xi) & 4(xviii).**

Bifurcation of Arrears – Un-exempted Sector

4.15 a) The arrears falling under NIR category could not be recovered over the years for reasons such as:

i. Amount in dispute in Courts/Tribunal.

ii. Establishments into liquidation.

iii. Grant of Instalments.

iv. Establishments in respect of which Rehabilitation Scheme had been sanctioned by the BIFR.

4.15 b) Out of the of the total demand of Rs.18,540.92 Crores in the Un-Exempted Sector, amount under NIR category is Rs. 15,958.37 Crores, which is approximately 86.07%* .

4.15 c) Sector-wise status of defaulting establishments is as under: -

Sector	Amount to be recovered (Rs. In cr.)
Private	15652.51
Public	2467.32
Co-operative	421.09
Total	**18540.92**

*Figures for FY 2024-25 are compiled from A-I/A-II/B-I/B-II returns based on explicit IR/NIR classification across current and arrear demands, including dues stayed by Tribunals/CGIT and cases pending with NCLT/CIRP. Figures of earlier Annual Reports were compiled from MIS-108 returns with implicit NIR heads. Hence, FY 2024-25 NIR% is not strictly comparable with earlier MIS-based Annual Report figures.

4.16 Zone-wise bifurcation of arrears for all schemes as on 31.03.2025 with reference to Public, Private and Cooperative Sector is given in **Appendix-4(iv).**

4.17 a) The summary of Un-Exempted establishments which were in default of Provident Fund dues of Rs.50 lac and above as on 31.03.2025 is at **Appendix-4(v)** and a summary of exempted establishments in default of Rs.50 lac or more is given in **Appendix-4(vi)**.

4.17 b) During the year, Rs. 1587.23 crores were recovered through attachment of bank accounts and same has been mentioned in **Appendix 4(xii).**

Arrear Management in the Exempted Sector

4.18 Out of an arrear of Rs. 4755.91 cr., an amount of Rs. 948.99 cr. was recovered leaving a balance of Rs. 3806.92 cr. The details are given in **Appendix-4(xviii)**. The major portion of arrears of exempted establishments is in the State of Telangana amounting to Rs. 2803.51 cr. followed by Delhi amounting to Rs. 229.65 crore, West Bengal, A & N Islands & Sikkim (Kolkata) amounting to Rs. 150.87 crore, Bihar & Jharkhand (Patna) amounting to Rs. 143.39 cr. and Rajasthan amounting to Rs. 116.40 crore, together representing 90.46 % of the total arrears as depicted in **Appendix-4(xix).**

Other Actions Taken by EPFO for Recovery of Arrears

4.19 a) Actions taken during 2024-25

i. A training module of Recovery Manual was uploaded on iGOT Karmayogi platform for public consumption.

ii. Special Recovery Drive for three months was conducted from November 2024 to January 2025 during the year to facilitate swift recovery of dues.

iii. It was instructed to give special emphasis on initiation and disposal of 14B /7Q cases of value more than Rs. 50 lacs.

iv. Instructions were issued to liquidate the arrear demand and Current Demand as per the stipulated targets of 80% and 100% respectively.

v. A dedicated IBBI cell has been created to monitor cases under CIRP and Liquidation.

4.19 b) Strategy: -

The following Strategy is pursued for recovery of Arrears during the year 2025-26:-

i. Periodic reviews of RRCs are to be conducted by Zonal Office/ Head Office with special emphasis on high value recovery cases and NIR cases.

ii. Conversion of NIR cases to IR category by consistent efforts.

iii. Application for early hearing and vacation of stay in cases stuck in various courts are filed by the Regional Offices of EPFO to plead for early hearing and stay vacation so that the cases can be transferred to the NIR Category and recovery efforts are reinitiated for liquidation of demand.

iv. During 237th CBT meeting held on 28.02.2025 it has been suggested to constitute a national level task force to monitor and facilitate recovery of arrear demand.

v. Digitization of Recovery Process

RATE OF CONTRIBUTION

5.1 The rate of contribution payable by the employees and the employers under the Act has been revised from time to time. The current rate of contribution as percentage of wages for funding the various schemes along with its administrative charges is as below:

	CONTRIBUTION ACCOUNTS (Rate of contribution)			ADMINISTRATION ACCOUNTS (Rate of contribution)		TOTAL
	EPF	EPS	EDLI	EPF(*)	EDLI	
Employer	3.67	8.33	0.50	0.50	0.00	13.00
Employee	12.00	0.00	0.00	0.00	0.00	12.00
Central Govt.	0.00	1.16	0.00	0.00	0.00	1.16
TOTAL	**15.67**	**9.49**	**0.50**	**0.50**	**0.00**	**26.16**

(*) w.e.f. 01.06.2018

5.2 The rate of contribution excluding the administrative charges and contribution in EDLI Scheme is presently 12% on the wages both for the employer as well as the employee. The employer supports the entire administrative charges for EPF and contribution under EDLI Scheme. The Government of India contributes @1.16% of the total wages to the EPS. The rate of contribution, for both employer and employee is 10% of the wages only for following categories of establishments:

i. Any establishment in which less than twenty persons are employed;

ii. Any sick industrial company as defined in clause (o) of sub-section (1) of Section 3 of the Sick Industrial Companies (Special Provisions) Act, 1985 (1 of 1986) and which has been declared as such by the Board for Industrial and Financial Reconstruction established under section 4 of that Act, for the period commencing on and from the date of registration of the reference in the Board and ending either on the date by which the net worth of the said company becomes positive in terms of the orders passed under sub-section (2) of section 17 of that Act or on the last date of implementation of the scheme sanctioned under section 18 of that Act;

iii. Any establishment which has at the end of any financial year accumulated losses equal to or exceeding its entire net worth that is the sum total of paid-up capital and free reserves and has also suffered cash losses in such financial year and the financial year immediately preceding such financial year;

iv. Any establishment in the (A) Jute Industry (B) Beedi Industry (C) Brick Industry (D) Coir Industry other than the spinning sector (E) Guar gum factories;

5.3 The following table indicates the different rates of contribution both for employers and employees for the periods indicated from the date of inception of the Act.

Administrative Account

5.7 The expenditure in administering the Employees' Provident Fund as provided in para 54 of the EPF Scheme,1952 is met from the levy of Administrative charges and Inspection charges at the prescribed rate on the employers of un-exempted and exempted establishments respectively. Para 38 and 39 of the Employees' Provident Funds Scheme, 1952 stipulate that the employer of the establishments complying with the Employees' Provident Funds Scheme, 1952 as an un-exempted establishment should pay Administrative Charges. Section 17(3) of the Act stipulates the payment of Inspection Charges by the exempted establishments every month.

Considering the resources of the Fund and for meeting the expenditure for running the Scheme, the Central Board of Trustees, EPF recommends a rate that may be levied as Administrative/ Inspection charges on the employers. On the recommendation of the Central Board, the rates of Administrative charges and Inspection charges are fixed by the Central Government and notified in the Gazette.

The rate of Administrative charges and Inspection charges fixed by the Central Government from time to time is as under: -

5.10 BANKING DIVISION

i. Centralised Collection started in respect of Yes Bank:

In accordance with the agreement executed on 5th January 2024 between EPFO and Yes Bank, the collection of EPF dues through Yes Bank's internet banking platform commenced on 9th June 2024.

ii. Reduced the criteria for Empanelment of banks for Centralised Collection of EPF contributions in 236th CBT meeting held on 30.11.2024:

During the CBT meeting held on 30th November 2024, an agenda was approved to empanel RBI agency banks and other banks having more than 0.2% share of the total EPFO collections as centralized collection banks. Pursuant to this decision, 15 additional banks were empaneled with EPFO for the purpose of dues collection. This move is aimed at streamlining the collection process, enhancing operational efficiency, and supporting the Government's Ease of Doing Business initiative.

5.11 Investment of Funds by EPFO

A) Investment of funds in EPFO is done as per the pattern of Investment notified by the Ministry of Labour and Employment, Govt. Of India vide notification no. 1071 (E) dated 23rd April, 2015 (as per para 52 of the EPF Scheme 1952) which is reproduced as under:

S.O. 1071 (E). - In exercise of the powers conferred by sub-paragraph (1) of paragraph 52 of the Employees' Provident Funds Scheme, 1952 and in supersession of the notification of the Government of India in the Ministry of Labour No. S.O. 3450(E).- dated the 21st Nov 2013 the Central Government hereby directs that all incremental accretions belonging to the Fund shall be invested in accordance with the following pattern namely-

Category	Particulars	Range of Investment
(I)	Government Securities and Related Investments	45%- 65%
(II)	Debt Instruments and Related Investments	20%- 45%
(III)	Short-term Debt Instruments and Related Investments	Up to 5%

Category	Particulars	Range of Investment
(IV)	Equities and Related Investments	5%- 15%
(V)	Asset Backed, Trust Structured and Miscellaneous Investments	Up to 5%

Detailed Pattern of Investment attached at Appendix-5(ix).

B) Fresh accretions to the fund will be invested in the permissible categories specified in this investment pattern in a manner consistent with the above specified maximum permissible percentage amounts to be invested in each such investment category, while also complying with such other restrictions as made applicable for various sub-categories of the permissible investments.

C) Fresh accretions to the funds shall be the sum of un-invested funds from the past and receipts like contributions to the funds, dividend / interest / commission, maturity amounts of earlier investments etc., as reduced by obligatory outgo during the financial year.

D) Proceeds arising out of sale or redemption of investment in equities and related investments, exercise of put option, tenure or asset switch or trade of any asset before maturity can be invested in any of the permissible categories described above in the manner that at any given point of time the percentage of assets under that category should not exceed the maximum limit prescribed for that category and also should not exceed the maximum limit prescribed for the sub-categories, if any. However, asset switch because of any RBI mandated Government debt switch would not be covered under this restriction.

E) Turnover ratio (the value of securities traded in the year / average value of the portfolio at the beginning of the year and at the end of the year) should not exceed two.

F) If for any of the instruments mentioned above the rating falls below the minimum permissible investment grade prescribed for investment in that instrument when it was purchased, as confirmed by one credit rating agency, the option of exit shall be considered and exercised, as appropriate, in a manner that is in the best interest of the subscribers.

G) On these guidelines coming into effect, the above prescribed investment pattern shall be achieved separately for each successive financial year through timely and appropriate planning.

H) The investment of funds should be at arms length, keeping solely the benefit of the beneficiaries in mind. For instance, investment (aggregated across such companies / organizations described herein) beyond 5% of the fresh accretions in a financial year will not be made in the securities of a company / organization or in the securities of a company / organization in which such a company / organization holds over 10% of the securities issued, by a fund created for the benefit of the employees of the first company / organization, and the total volume of such investments will not exceed 5% of the total portfolio of the fund at any time. The prescribed process of due diligence must be strictly followed in such cases and the securities in question must be permissible investments under these guidelines.

I) The prudent investment of the Funds of a trust / fund within the prescribed pattern is the fiduciary responsibility of the Trustees and needs to be exercised with appropriate due diligence. The Trustees would accordingly be responsible for investment decisions taken to invest the funds.

i. The trustees will take suitable steps to control and optimize the cost of management of the fund.

ii. The trust will ensure that the process of investment is accountable and transparent.

iii. It will be ensured that due diligence is carried out to assess risks associated with any particular asset before investment is made by the fund in that particular asset and also during the period over which it is held by the fund. The requirement of ratings as mandated in this notification merely intends to limit the risk associated with investments at a broad and general level. Accordingly, it should not be construed in any manner as an endorsement for investment in any asset satisfying the minimum prescribed rating or a substitute for the due diligence prescribed for being carried out by the fund / trust.

iv. The trust / fund should adopt and implement prudent guidelines to prevent concentration of investment in any one company, corporate group or sector.

J) If the fund has engaged services of professional fund / asset managers for management of its assets, payment to whom is being made on the basis of the value of each transaction, the value of funds invested by them in any mutual funds mentioned in any of the categories or ETFs or Index Funds shall be reduced before computing the payment due to them in order to avoid double incidence of costs. Due caution will be exercised to ensure that the same investments are not churned with a view to enhancing the fee payable. In this regard, commissions for investments in Category III instruments will be carefully regulated, in particular.

Investment of Employees' Pension Scheme 1995 Fund

5.12 The Scheme provides for investment of the pension fund in the following manner (Para 26 of the pension scheme).

i. All monies accruing to the Employees' Pension Fund Account except the contributions of the Central Government shall be invested in accordance with the provisions of paragraph 52 of the Employees' Provident Fund Scheme, 1952.

ii. Net assets of the Family Pension Fund as on the 16-11-1995 shall merge in the Pension Fund and remain invested in the Public Account of the Government of India. The future Central Government's contribution accruing to the Pension Fund from 17th November, 1995 onwards shall also be invested in the Public Account of the Government of India.

Portfolio Management

5.13 a) Debt Portfolio

i. The funds of EPFO which are invested in debt instruments are managed by Portfolio Managers duly appointed by Central Board of Trustees. The Portfolio Managers are mandated to invest the funds as per the pattern of investment notified by the Ministry of Labour & Employment and guidelines prescribed by the Central Board from time to time.

ii. The Central Board of Trustees had approved the appointment of following two Portfolio managers for managing the EPFO corpus (Debt -side):

» UTI Asset Management Company Ltd.

» SBI Fund Management Ltd.

iii. The Performance Evaluation of the portfolio managers of EPFO is a regular exercise and is evaluated against a performance benchmark developed by the consultant M/s CRISIL. The performance benchmark is dynamic in nature and captures the yields of securities in which investment of EPFO money is permissible as per existing investment pattern and investment guidelines. It is a very important tool with which EPFO is able to compare the performance of portfolio managers. It also serves as a reference point for both EPFO as well as for the portfolio managers, giving an indicative minimum yield, which could have been generated by investing in the prevailing market in the asset classes permissible as per extant investment pattern and investment guidelines. Performance evaluation of the Portfolio Manager is also placed before of the Finance Investment and Audit Committee.

b) Performance of the Portfolio Managers for the Year 2024-25.

i. As per the report submitted by CRISIL, the Consultant of EPFO, the yield generated by the Portfolio Managers during the financial year 2024-25 is 7.33%, which is higher than the benchmark yield of 7.30% for the financial year 2024-25.

ii. The return on investment during a year is subject to variation in market yield due to various conditions prevailing in the market and thus cannot be strictly compared with the yields generated during the past years. Therefore, the true comparison can be made only amongst the Portfolio Managers who are investing in the same market following the same regulations.

iii. The competition among the Fund Managers has diversified the risk of under performance by one single Portfolio Manager, affecting the yield of the entire portfolio. Along with competition, creation of dynamic benchmarks, work as a reference for the Portfolio Managers who optimize their efforts to not only meet the benchmark but also outperform it.

iv. Performance of Portfolio Managers for the period from 01.04.2024 to 31.03.2025 is as under:

Portfolio manager	Portfolio Manager yield (%)	Benchmark Yield (%)
SBI AMC	7.34	7.30
UTI AMC	7.32	7.30
Overall EPFO	7.33	7.30

v. On the portfolio yield parameter, SBI AMC is ranked first with portfolio yield of 7.34% as compared to 7.32% generated by UTI AMC.

vi. On the asset quality parameter, UTI AMC is ranked first due to relatively higher exposure of 7.13% to G-Secs as compared to 6.37% by SBI AMC.

5.14 Equity Portfolio

i. The pattern of investment notified by the Ministry of Labour & Employment mandates investments in Equity and Related Investment in the range of 5% to 15%. Accordingly, EPFO started with an investment of 5% in Equity through ETFs based on the BSE Sensex Index or NSE Nifty 50 Index in August 2015. Subsequently from 2017 the investment in ETFs was increased to 15% of the fresh accretion.

ii. The funds of EPFO which are invested in equity instruments are managed by Asset Management Companies (AMC) for ETF Investments duly appointed by Central Board of Trustees. EPFO invests these funds in the Equity instruments through ETFs based on the BSE Sensex Index or NSE Nifty 50 Index.

iii. The Investments in the ETFs based on BSE Sensex Index or NSE Nifty 50 Index have been made till 31st March, 2025 by the following:

- SBI Funds Management Limited
- UTI Asset Management Company Limited
- Nippon Life India Asset Management Limited
- ICICI Prudential Asset Management Company Limited

* Nippon Life India AMC &ICICI Prudential AMC have started managing corpus w.e.f. 03.07.2023.

iv. The primary objective of ETFs is to track the underlying index as closely as possible. The investment managers of ETFs attempt to replicate the investment results of the underlying index by holding all the securities in the Index in the same proportion across all times.

v. The performance of ETF Managers is measured in terms of the tracking error of the ETFs. Tracking error is defined as the annualised standard deviation of the daily difference in returns between the ETF and its underlying Index. A lower tracking error implies the scheme has been consistent.

CUSTOMER SERVICE, COMMUNICATIONS & PUBLIC RELATIONS

06

6.1 Customer Service Division

6.1.1 Grievance Redressal Mechanism in EPFO:

EPFO, in tune with its objectives, lays strong emphasis on customer service and the redressal of grievances of all stakeholders. The organization has a robust mechanism to handle the grievances of its stakeholders i.e. employers, employees and pensioners through a network of its offices spread throughout the country. The Customer Service Division existing in the EPFO Head office, New Delhi and field formations in 21 Zones and 150 Regional Offices across the country are equipped with full-fledged Facilitation centres, Public relation officers and supporting staff with an aim to provide quality service to all stakeholders of the organisation. The various modes of registering and resolving grievances are:

- CPGRAMS
- Grievance Appeals
- EPFiGMS
- Call Center
- Whatsapp Helpline
- Twitter and Facebook account of EPFO
- Frequently asked questions
- Facilitation centers

Grievances are received from subscribers, pensioners, account holders of EPFO and employers of establishments both exempted and unexempted, directly and also through President's Secretariat, Prime Minister's Office (PMO), Directorate of Public Grievances (DPG), Directorate of Administrative Reforms and Public Grievances (DARPG), Ministry of Labour and Employment, National Human Rights commission (NHRC) and Social Media like Twitter and Facebook.

6.1.2 Governance of Customer Service Division:

The Customer Service Division in Head Office is headed by an Additional Central Provident Fund Commissioner (Hqrs) level officer, who is assisted by Additional Central Provident Fund Commissioner, Regional Provident Fund Commissioner Grade-1, Regional Provident Fund Commissioner Grade-2, Section Officers, Assistant Section Officers, SSAs and JSAs. The Nodal Officers looking after grievance resolution, have been nominated in each Zonal Office and Regional Office.

6.1.3 Centralized Public Grievance Redressal and Monitoring System(CPGRAMS):

Centralized Public Grievance Redressal and Monitoring System (CPGRAMS) is available on PG portal of Govt of India, which is an online web-enabled system developed by NIC, in association with Directorate of Public Grievances (DPG) and Department of Administrative Reforms and Public Grievances (DARPG). CPGRAMS is the platform based on web technology which primarily aims to enable submission of grievances by the aggrieved citizens from anywhere and anytime (24x7) basis to Ministries/Departments/Organisations who scrutinize and take action for speedy and favorable redressal of these grievances which has been successfully implemented in EPFO. All the offices are regularly using CPGRAMS to monitor and redress the grievances.

6.1.4 Monitoring of grievances received under CPGRAMS Portal:

a. The grievances under CPGRAMS Portal are received by Customer Service Division (CSD) in EPFO Head Office through the Ministry of Labour and Employment. After receipt of grievances, they are forwarded to the concerned field office as well as Additional CPFC's of the concerned division in Head Office for redressal. However after implementation of CPGRAMS 7.0 for all the Regional offices of EPFO, grievances received through MoLBR Category directly falls into the login of the concerned Regional Offices and speedup the process of resolution of grievances leading to better service delivery.

b. The field offices redress the grievances within the stipulated time and upload their replies on the CPGRAMS Portal of Customer Service Division at Head Office.

c. The Customer Service Division in turn forwards the reply to Ministry of Labour and Employment for its final disposal. The Ministry of Labour and Employment then replies to the citizen except in case of grievances pertaining to DPG which are disposed by DPG itself.

d. Vigorous monitoring of grievances is done at all levels. Reports of pendency and disposal are generated regularly and followed up with field offices and different sections of Head Office through multiple modes like emails, whatsapp, calls etc

e. Disposal of Public Grievances is reviewed by the Ministry of Labour and Employment every month and feedback also taken over calls from randomly selected complainants from Ministry every month to know the quality of redressal of grievances on CPGRAMS portal.

6.1.5 Receipt and disposal of grievances through CPGRAMS:

6.1.9 Appeals in CPGRAMS:

Ministry of Labour & Employment forwarded 38,190 Appeal Cases for the period from 01.04.2024 to 31.03.2025. Out of that 37,555 have been disposed off and 976 were pending as on 31.03.2025.

6.1.10 Employees Provident Fund Integrated Grievance Management System (EPFiGMS)

EPFO introduced several new online services to its stakeholders like ECR, UAN, Passbook, PMPRY, online transfer, online claim processing etc. With the extension of service areas of EPFO, the earlier EPFiGMS version 1.0 launched in 2010 was not meeting the challenges and new issues faced by the members necessitating its revamping. In order to meet these challenges, the revamped EPFiGMS

version 2.0 was launched by Hon'ble Minister of State for Labour and Employment on 21st August 2019 at Hyderabad.

This system has not only provided convenience to subscribers to register their grievances/ queries but also has proved to be of immense value to field offices in managing grievances. Subscribers can register their grievances on the EPFiGMS portal anytime from anywhere. The grievance can be lodged by the Members, Pensioners, Establishments and Others.

EPFiGMS has been developed with a view to provide a single window platform that is able to record, acknowledge and track/monitor grievances till it is finally redressed. Besides the revamped EPFiGMS is citizen centric and facilitates EPFO in monitoring the redressal of grievances efficiently, transparently and with greater accountability. It has helped EPFO in streamlining its processes and improving the ease of business for its subscribers.

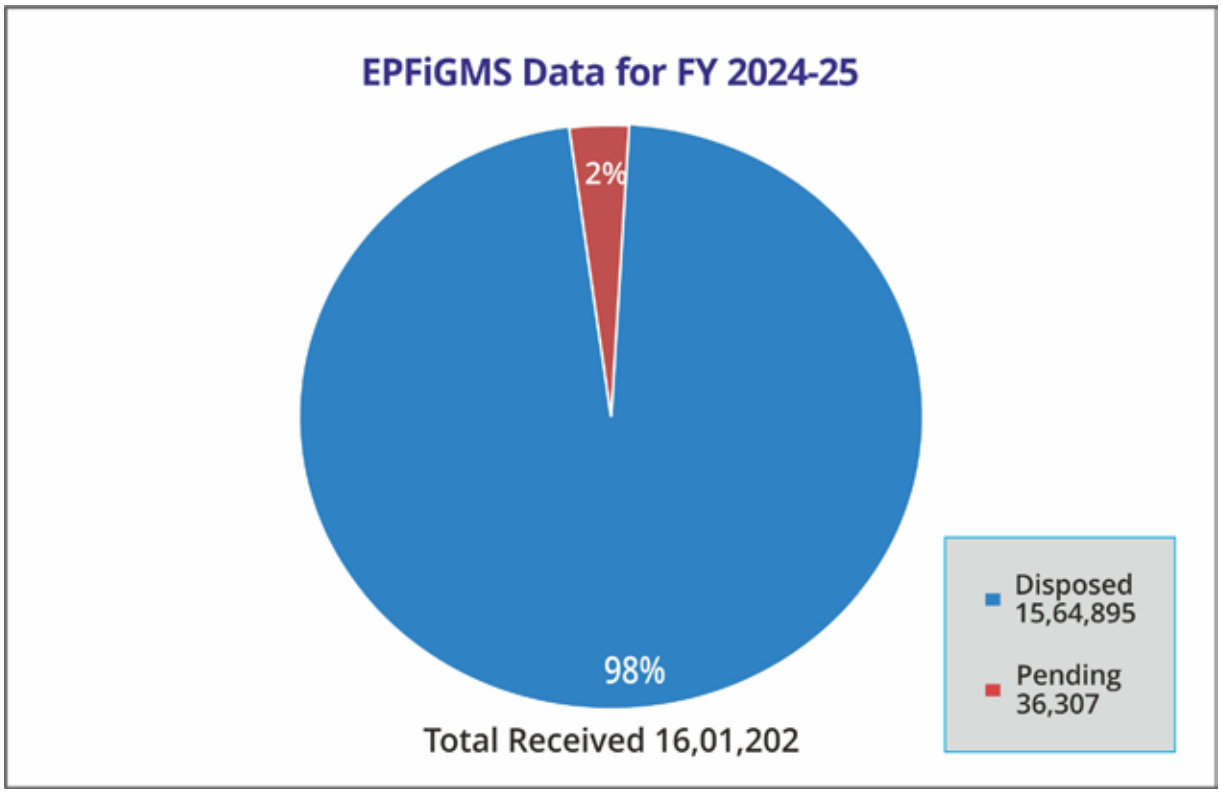

The revamped version (EPFiGMS 2.0) has several innovative features, as below:-

- Bilingual- the grievances can be registered both in English and Hindi.
- OTP verification to authenticate the user.
- Online lodging of grievance/complaint based on UAN.
- UAN integrated with master database of EPFO resulting in identification of EPF office for redressal of grievance.
- Quick resolution - the lodged grievance is directed to the officer who is handling the account of the member.
- Comprehensive Categorization – 66 categories introduced to identify exact nature of grievance.
- Grievance closure only after satisfaction of complainant.
- Feedback by complainant on (a) Portal Interface (b) Quality of Redressal.
- Multiple document upload - Up to 3 documents can be uploaded in one grievance.
- Interactive system - Complainant can send online comments / clarifications when asked.
- Interim reply to complainant can be sent in case redress is delayed.
- Dedicated Email and SMS facility to provide communications and alerts.
- 3-level escalation of grievances - Regional office, Zonal office and Head office.
- Daily Monitoring through dashboard and MIS reports.

6.1.11 Grievances Registered & Disposed in EPFiGMS during 01.04.2024 to 31.03.2025.

Out of 16,01,202 total grievance receipt during 2024-25, 15,64,895 grievances have been disposed i.e. (97.73%). As per EPFiGMS portal as of 01.04.2024 to 31.03.2025 out of 15,64,895 grievance disposal, EPFO received 1,20,271 feedback from the stakeholders i.e. (7.68%). Further, out of that 1,20,271 feedback, 24,025 (19.98%) feedbacks are 5 Star. Further 42,193 (35.08%) feedbacks are 3 star and above. Hence, it is presumed that more than 35% of stakeholders are satisfied with grievance resolution mechanism in EPFO. The feedback also obtained from the stakeholders for the portal performance and improvement. During the period 01.04.2024 to 31.03.2025, 79.59% feedbacks are 3 star and above with respect to performance of the EPFiGMS portal.

6.1.17 Santusht Cell Monitored Cases:

After creation of Santusht Cell in MoL&E for Grievance resolution, the emails are being received on regular basis for taking up the same with field offices for resolution of stakeholders grievances:

Period	No. of email received	e-mails forwarded to concerned office
(01.04.2024 to 31.03.2025)	4,003	4,003

6.1.18 VIP CASES

Special emphasis is laid on monitoring and disposal of offline and email grievances/Time line cases received from MoL&E, MPs, MLAs, Lok Sabha Sectt, Rajya Sabha Sectt., CBT members, CVO, NHRC, National Commission for SC/ST and other Commissions.

6.1.19 Call Centre:

EPFO Call Centre is operational at 12 locations to address the queries received on the toll-free number 1800118005 from its stakeholders across India. The short code 14470 has been introduced to address queries. During 2024-25, 39,74,501 calls were replied in the Call Centre. The call centre is functional in three shifts, from morning 7:00 A.M. to evening 9:00 P.M., on all days of the week except gazetted holidays. Further, the call centre was revamped in January 2021 which has the following advantages over the earlier system:

- Call Recording Facility
- Call Monitoring Facility
- Real Time Dashboard
- Provision to store Missed Calls
- Call Back Facility Provision to send SMS
- Feedback from stakeholders
- Provision for detailed report

The capacity of the revamped call centre has increased by almost 100%. Now approximately 11,426 calls are replied to per day as compared to 2000 calls before revamping. 153 Agents are responding to the queries of stakeholders in 10 vernacular languages i.e. Tamil, Telugu, Gujarati, Marathi, Bengali, Kannada, Assamese, Punjabi, Malayalam, Odia in addition to Hindi and Englishfrom 7 A.M to 9 P.M in three shifts. Constant monitoring of live calls by utilising the feature of interception has ensured the quality of replies furnished to the stakeholders. The facility of recording all the calls with a time shelf of six months ensures the complaint verification.

7.13 Vigilance Awareness Week, 2024

VAW 2024 was observed in EPFO from 28.10.2024 to 03.11.2024 with the theme **"सत्यनिष्ठा की संस्कृति से राष्ट्र की समृद्धि" "culture of Integrity for Nation's Prosperity".** Further, as per CVC guidelines, a 3 months' Campaign was held from 16th August, 2024 to 15th November, 2024 as a precursor to VAW 2024 with focus on (awareness about grievance and complaints disposal, Capacity Building and updation of circulars/guidelines.) Following activities were undertaken during the VAW 2024:

i. **Integrity pledge:** VAW 2024 activities kicked off with the integrity pledge on 28.10.2024. The E- Pledge link was posted on the official website of EPFO and an awareness was created promoted through social media accounts of EPFO.

ii. **Signature campaign:** A signature campaign was organized at all Offices to disseminate the spirit and message of the VAW 2024.

iii. **Training:** The National Training Academy of EPFO (PDUNASS) and Zonal Training institutes was conducted Training on the Five Thematic Areas specified by CVC during the 3 months VAW Campaign. The Faculty engaged comprised of experts from CVC and other Organisations. The newly recruited Assistant Commissioners and Social Security Assistants were being trained on these areas for effective utilization in their future postings and work assignments. The In-service Training programmes organised by PDUNASS are focused on the Business processes of EPFO and how to improve the working culture and Public Image of the Organisation. Effective handling of Public grievances and service delivery are the thrust areas of the trainings which are in- line with the CVC guidelines for Preventive Vigilance.

iv. **Outreach Activities:** At the field office level a variety of initiatives were undertaken which saw earnest participation of the stakeholders, especially through the "Nidhi Aapke Nikat" District Outreach Programmes of EPFO. Seminars, workshops, panel discussions and grievance redressal (both in online and offline mode) were organised. As part of public outreach activities, competitions were organized for schools, college and gram sabhas at various locations, in

order to disseminate the message of the VAW 2024. Quizzes on Vigilance Awareness and on Cyber Hygiene were also conducted at Field office levels.

The posters provided by the Central Vigilance Commission (CVC) were displayed at the Head Office and by all field Offices. It is also relevant to mention that social media platforms of EPFO were utilized to a great extent to promote the theme and message of VAW 2024 and to publicize the various activities undertaken by EPFO during the campaign period.

v. **Concluding Ceremony:** The observance of VAW 2024 concluded at Head Office with a closing ceremony presided over by the Central Provident Fund Commissioner on 03.11.2024, during which the winners of the various competitions held during the week were felicitated.

The Physical Infrastructure Division

7.14 The Physical Infrastructure Division (PID) caters to the physical infrastructure related requirements of head office, field offices and staff quarters of EPFO. The Division is headed by a Chief Engineer, who is the technical advisor to CPFC in matters relating to construction, maintenance and hiring of buildings.

Chief Engineers' suggestion is also sought on purchasing of land for construction of office buildings and staff quarters.

During the year 2024-25, Chief Engineer was assisted by one RPFC-II, one EE, one Junior Engineer, one Section Officer and one Assistant Section Officer in the Physical Infrastructure Division at Head Office. Additionally, seventeen (17) AEEs/ JEs were deployed at field offices of EPFO to assist Zonal/ Regional Heads for work related matters.

Physical Infrastructure Division had prepared a perspective plan envisaging that all the major offices of EPFO shall be functioning from own office buildings. The proposed plan also included enhancing the quality of the current physical infrastructure of EPFO. The achievements of 2024-25 were the direct outcome of the meticulously planned approach.

7.15 Specific Activities/Achievements:

Following events marked a significant step towards enhancing infrastructure and operational capacity of organization to meet the aspirations of workforce and to improve user satisfaction across the country, underscoring the Ministry's commitment to strengthening labour welfare and administrative efficiency:

- Physical inauguration of the Office Complex of the Zonal Office Telangana and Regional Office in Banjara Hills in Hyderabad on 06.03.2025.
- Virtual inauguration of the Regional Office in Naroda, Gujarat on 06.03.2025.
- Laying of the foundation stone for staff quarters in Gurugram, Haryana on 06.03.2025. Located near Dwarka Expressway at Gurugram spread in a total area of 10,534 sq. mt., the project will provide for residential facilities including a community hall to 155 families of EPFO Officials.
- Successful completion of land allotment for Office Building at Regional Office Sagar from Madhya Pradesh Housing & Infrastructure Development Board.

- Commencement of redevelopment of EPFO campus at Sodawala Lane, Borivali, Mumbai with Construction of Residential quarters of 256 units of Type-III quarters, 28 Units of Type-IV (S) quarters, 15 Units of Type-V quarters, 2 Units of Type-VI quarters & Guesthouse.
- In principle approval was accorded to 88 special repair works of Civil, Electrical & Horticulture nature spanning EPFO Offices across various locations under Annual Works Plan for FY 2025-26.

7.16 Future Planning:

Future planning of PID encompasses three key categories outlined in Perspective Plan viz Land purchase, Construction of office buildings, and Improvement & Expansion of existing office buildings.

In a pursuit to acquire appropriate land, division has made steady progress and is ready with firm proposals to purchase land at Bilaspur, Yelahanka, Barrackpore and Electronic City.

Our office building initiatives include construction of office buildings at Kolkata & Manesar and redevelopment of Bhavishya Nidhi enclave at Malviya Nagar. Division is also striving to improve existing offices.

These projects aim to enhance our operational capabilities and provide state of-the-art facilities for our staff and stakeholders.

7.17 Other Major Initiatives:

Roof Top Solar Power: To promote renewable energy and meet 100 Giga Watt (GW) target, all the Department / Ministries were instructed to ensure installation of "Rooftop Solar Photovoltaic Panels". To comply with the issued guidelines, EPFO framed a road map and initiated the work of installing Solar PV Panel in its offices under the Renewable Energy Service Company Model (RESCO) through Rajasthan Electronics & Instruments Ltd (REIL) wherein totaled installed capacity is approximately 518 KW across 12 Offices of EPFO. Further, in Kerala, agreement has been signed between KSEB and EPFO dated 28.10.2024 through which Grid connectivity of 80 KWp started functioning resulting in reduction in expenditure on electricity bills.

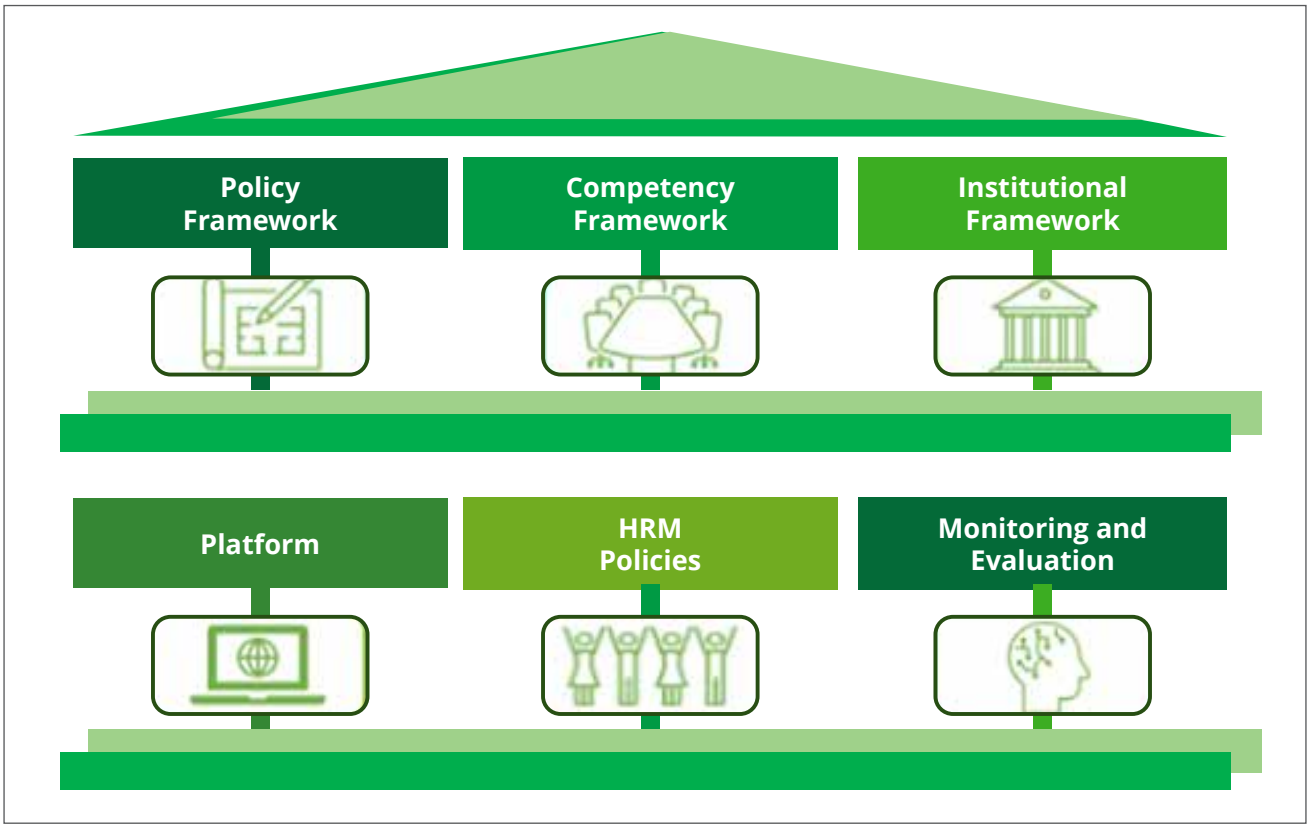

TRAINING & RESEARCH

8.1 Background

The Government of India, as part of its ongoing reform in public human resource management and governance, has launched the National Programme for Civil Services Capacity Building (NPCSCB) – MISSION KARMAYOGI, which aims to create a professional, well trained and future looking civil service that is imbued with a shared understanding of India's developmental aspirations, national programs and priorities. The NPCSCB is built upon six key pillars, which are as follows:

The focus of NPCSCB is on promoting ease of living and ease of doing business, by considerably enhancing the citizen-government interface through creation of functional and behavioral competencies among the civil servants. The goal is to create an ecosystem of competency driven training and Human Resources (HR) management by transitioning from a 'rules-based' system to the 'roles-based' system.

The NPCSCB covers all civil servants across ministries, departments, organisations and government agencies, which are required to align their capacity building plans on similar lines. Accordingly, the training policy of EPFO has been built, encompassing the above broad guidelines and pillars of the NPCSCB, and also drawing upon the National Training Policy (NTP-2012) of the Department of Personnel and Training (DoPT), as well as the recommendations of The Global Commission on The Future of Work, constituted by the ILO, which has specified a Human Centered Agenda for the future of the work to strengthen the social contract by placing people and the work they do at the center of economic and social policy and business practice. Accordingly, EPFO has modified and aligned its training policy.

The training policy of EPFO was approved during 231st EC on 29-30 July 2022.

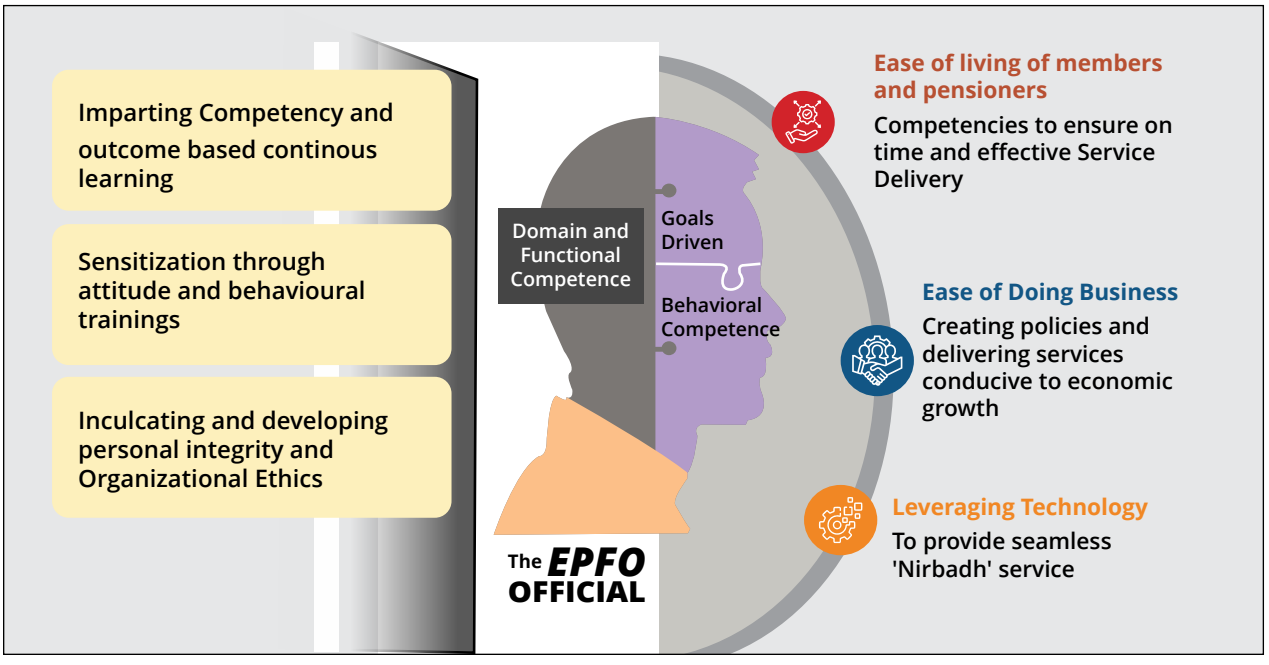

8.2 Objectives of Training

i. To enhance the attitude, knowledge and skill levels of EPFO employees by providing them competency and outcome based continuous learning interventions, in order to enable them to create such service standards, leveraging technology, which will ensure the greatest ease of living for all members and pensioners.

ii. To sensitize EPFO employees towards organizational goals and aspirations of its various stakeholders, through attitude and behavioral trainings, to enable ease of doing business.

iii. To Inculcate the hig hest levels of Integrity and organizational ethics in EPFO employees, at both personal and professional levels to enhance the image of EPFO and enable the organization to fulfil its mission and mandate to emerge as a world class social security organization.

iv. The objectives are sought to be linked to the desired organizational outcomes through training interventions, as depicted in the following pictogram.

v. Each EPFO official is thus required to be equipped with necessary and need-based training interventions, attitude and behavioural changes and also sensitized to organizational and personal ethics. This will enhance his/her behavioural, domain and functional competencies, so as to fulfil the organizational vision of ensuring ease of living for members and pensioners and ease of doing business, leveraging technology to provide seamless 'Nirbadh' service delivery.

8.3 Strategy

A. Competency Mapping And Career Progression Planning

Competency Profiling of all officers and staff will be done and a competency database shall be maintained and matched with competencies required for each role in the EPFO organogram. A data driven approach to identification of strengths, skill gaps, training requirements, as well as job-fitment will be done in-house with possibility of taking professional assistance.

Career progression planning will pick up from competency mapping in order to figure out possible career paths for officials and mechanisms to upgrade their skills, in a targeted and realistic manner.

B. Conducting Training Needs Analysis (TNA)

Training Needs Analysis (TNA) will help the organization identify training and development needs of employees so that they can do their job effectively and correct training interventions c e provided at the right place and time to ensure that skill sets of employees are aligned with organizational requirements.

C. Designing of Appropriate Training Interventions

Training interventions would include offsite learning designed to complement on-site learning methods as focus areas. On-line content will be developed by associating in house faculty with professional content developers co-opted by the iGOT Platform. Tie-ups with the best available national and international learning platforms on the lines of Mission Karmayogi Mission (Capacity Building Commission) shall be explored. EPFO shall strive to create its own world class learning platform using state-of-art technology.

8.6 EPFO'S Engagement with Mission Karmayogi Through the iGOT Karmayogi Platform

The Employees' Provident Fund Organisation (EPFO) has continued its proactive participation in the Government of India's Mission Karmayogi – a national programme for civil services capacity building aimed at nurturing a citizen-centric and future-ready workforce.

Through the iGOT Karmayogi digital learning platform, EPFO officers and officials have been encouraged to undertake continuous learning in domain-specific, behavioural and functional competencies. This initiative has enhanced the professional capabilities of EPFO personnel, thereby contributing to improved service delivery and organisational efficiency.

During the period 1 April 2024 to 31 March 2025, EPFO officials successfully completed 76,531 courses in total on the platform, with 4,726 instances of single-course completions recorded. This reflects a strong commitment to upskilling and self-development among EPFO employees.

In line with this capacity-building drive, the Pandit Deendayal Upadhyaya National Academy of Social Security (PDUNASS) has also contributed to enriching the iGOT Karmayogi repository. Two specialised courses – "Recovery Manual" (uploaded on 8 July 2024) and "EPF & MP Act, 1952" (uploaded on 18 March 2025) – were developed and uploaded on the platform to benefit EPFO officials and other stakeholders.

EPFO's sustained engagement with Mission Karmayogi underscores its dedication to fostering a culture of continuous learning, innovation and public service excellence.

8.7 Reimagining Governance: Discourse for Excellence (RGDE)

Launched on Good Governance Day (December 25, 2023), the Reimagining Governance: Discourse for Excellence (RGDE) series has quickly become a premier platform for continuous learning and professional development. It brings together over 800 EPFO officers nationwide, fostering critical thinking, innovative practices, and new approaches to improve governance standards and decision-making.

As a dedicated capacity-building initiative, RGDE aligns with EPFO's vision of "social security for all." The future of social security in India requires rigorous analysis and forward-looking dialogue that not only examines emerging challenges but also equips officers with the administrative skills to expand and strengthen coverage.

Since its inception by the Pandit Deendayal Upadhyaya National Academy of Social Security (PDUNASS), the series has convened policymakers, administrators, and thought leaders who have shared insights on technology adoption, governance innovations, and evidence-based policymaking to enhance citizen experiences with social security services.

RGDE is not merely a forum for discussion—it is a collaborative exercise in co-creation. Conducted mostly in virtual mode, it ensures participation from officers across the country, making it a distinctive capacity-building initiative under the umbrella of Mission Karmayogi.

INFORMATION TECHNOLOGY INITIATIVES

09

INFORMATION TECHNOLOGY INITIATIVES

9.1 During the Financial Year 2024–2025, the Employees' Provident Fund Organisation undertook a series of information technology interventions to strengthen service delivery mechanism and improve the system resilience.

The primary focus was on capacity augmentation of core infrastructure to counter slowness, database and operating environment upgrades, implementation of the Security operation Centre, and preparatory work for migration to CITES 2.01. Concurrently, member and employer related processes were streamlined through automation, introduction of proper validations, while field offices were supported with performance improvements and claim automation to facilitate timely disposal of various claims.

The initiatives outlined herein are presented for information:

IT Interventions — Employee Centric Initiatives:

i. Auto Claim Processing: Auto Claim processing extended to advances under Para 68K for marriage and post-matriculation education and under Para 68B for house building. The auto-processing limit was enhanced from ₹ 50,000 to ₹ 1,00,000 to expedite the claim settlement process.

ii. Removal of mandatory uploading of the image of cheque leaf: Mandatory upload of cheque leaf or attested passbook was relaxed for certain eligible cases based on certain validations which include Online Verification of the Bank KYC by concerned Bank/NPCI, Verification of Bank KYC by the employer using DSC, Seeded Aadhaar Number verified by UIDAI among others.

iii. To assist members at the time of online claim filing, eleven eligibility/admissibility checks have been provided to minimise avoidable rejections.

iv. Annual Accounts for 2023–24 have been updated for approximately 30.94 crore member accounts out of a total of approximately 31.61 crore.

v. Simplified Joint Declaration Facility: A Simplified Joint Declaration process was launched in January 2025 to enable EPFO members to self-update or self-correct their profile in a more efficient and hassle-free manner subject to certain system-driven validations. As a result, only a miniscule number of Joint declarations are required to be processed & approved by Staff & officers at field level.

vi. Online Transfer Claims without Employer Approval: Members with fully compliant e-KYC can file online transfer claims directly with EPFO without employer approval.

vii. Delinking of Erroneous/Fraudulent UAN Linkages: Facility has now been provided to members in their UAN login to delink erroneous / fraudulent linkage of their UAN to deter unscrupulous activities.

viii. The Centralized Pension Payments System (CPPS) was fully implemented in December 2024, ensuring centralised pension disbursal to over 69 lakh pensioners.

IT Interventions — Employer Centric Initiatives:

i. Employers were provided with the facility in their login to submit Joint Declarations for profile or service corrections where the member does not have UAN-based login.

ii. Online System for Surrender of Exemption and Transfer of Past Accumulations: A new online system for Surrender of Exemption and Transfer of Past Accumulations has been deployed in the Employer login with automated validation, online status tracking with tracking ID, member-wise past accumulation uploads, and streamlined transfer of funds including government securities to credit member balances in the statutory fund. This system applies to new surrender proposals post deployment.

IT Interventions — Field Office Level:

i. Regional Offices given freezing and de-freezing functionality for UAN and Establishments.

ii. For First Time Claims and Resubmitted Claims, the MIS report i.e., Claims Returned-Resubmitted Report has been made available segregating rejected and returned claims.

iii. Following the NPCI pension payment pilot at Jammu and Srinagar, functionalities were deployed at RO, Karnal and monthly pensions for approximately 48,500 pensioners were processed through NPCI. SFTP integration with SBI for the interim Centralized Pension Payment System was completed and on 30 November 2024 pensions were disbursed for 24 Regional Offices to 9,30,448 pensioners amounting to ₹ 213.55 crore.

iv. Processing of Pension on Higher Wages cases has been expedited by reducing three-level approvals for uploading rejection cases on the pension portal to a single level at DA while noting that rejections are already approved in e-office by the OIC.

Hardware and IT Systems Augmentations:

i. In response to reports of slowness on Field Office Application faced by internal EPFO users in Regional Offices in processing claims, an extensive diagnostic study was taken leading to several steps to improve performance- Storage upgrade and addressing high load on specific database server ports; The Unified Portal database was upgraded from Oracle 12c to Oracle 19c in the new production environment. Oracle 12C to 19C grid update activity was undertaken at DC and DR and performance tuning were completed by September 2024.

ii. The operating system was upgraded from RHEL 7.7 to RHEL 8.8, network connectivity among all seven Oracle nodes was upgraded from 1 Gbps to 10 Gbps, two Oracle nodes were added to the cluster, and the storage firmware was upgraded.

Establishment of SOC as a Service Model at NDC Dwarka

To strengthen the cyber security posture of EPFO, Security Operations Centre (SOC) as a Service model is being established at the National Data Centre, Dwarka. The initiative is aimed at ensuring round-the-clock monitoring, incident detection and proactive threat management across the digital infrastructure of the Organization. As part of the implementation process, delivery of all security-related hardware and configuration of key security devices is currently in progress. Once fully operational, the SOC will significantly enhance the Organization's ability to manage cyber threats and safeguard sensitive data.

Onboarding of Bharti Airtel, a CERT-In Empanelled VAPT Auditor for CITES Infrastructure

EPFO successfully onboarded Bharti Airtel, a CERT-In empanelled auditor to conduct Vulnerability Assessment and Penetration Testing (VAPT) of the CITES infrastructure. This exercise is a critical component in identifying and mitigating potential vulnerabilities across the Organization's IT systems. As part of the audit process, several applications, portals and APIs have already undergone testing, with vulnerabilities being addressed promptly. This proactive initiative underscores EPFO's commitment to ensuring the resilience, security and integrity of its digital platforms.

AUDIT

10.1 Sub-section 6 of Section 5A of Employees' Provident Funds & Miscellaneous Provisions Act, 1952 provides that The accounts of the Central Board shall be audited annually by the Comptroller and Auditor-General of India and any expenditure incurred by him in connection with such audit shall be payable by the Central Board to the Comptroller and Auditor-General of India.

Sub-section 7 of Section 5A provides that The Comptroller and Auditor-General of India and any person appointed by him in connection with the audit of the accounts of the Central Board shall have the same rights and privileges and authority in connection with such audit as the Comptroller and Auditor-General has, in connection with the audit of Government accounts and, in particular, shall have the right to demand the production of books, accounts, connected vouchers, documents and papers and inspect any of the offices of the Central Board.

Sub-section 8 of Section 5A provides that The accounts of the Central Board as certified by the Comptroller and Auditor-General of India or any other person appointed by him in this behalf together with the audit report thereon shall be forwarded to the Central Board which shall forward the same to the Central Government along with its comments on the report of the Comptroller and Auditor-General.

Sub-section 9 of Section 5A provides that It shall be the duty of the Central Board to submit also to the Central Government an annual report of its work and activities and the Central Government shall cause a copy of the annual report, the audited accounts together with the report of the Comptroller and Auditor-General of India and the comments of the Central Board thereon to be laid before each House of Parliament.

Para 56 of the Employees' Provident Funds Scheme 1952, Para 30 of the Employees' Pension Scheme 1995 and Para 20 of the Employees' Deposit Linked Insurance Scheme 1976 provides for the audit of the Accounts of the Fund ((including the Administration Accounts), the Pension Fund (including the administrative expenses), and the Insurance Fund ((including the Insurance Fund Central Administration Account), respectively, in accordance with the instructions issued by the Central Government in consultation with the Comptroller and Auditor General of India.

Current Audit Manual was adopted by the Central Board in its 234th Meeting held at New Delhi on 31.10.2023. The Audit Manual aims to enable standardisation of Audit processes and establish an Internal Audit Framework within EPFO.

Statutory Audit

10.2 The Statutory Audit (also termed as Transaction Audit) is mainly concerned with the Propriety Audit or System Audit or Efficiency-cum-Performance Audit. It mainly checks the regularity, compliance and appropriation to the General Financial Rules (GFRs), General Accounting Rules (GARs) and legislated enactments.

The accounts and functions of various offices of EPFO are audited by the respective Accountant Generals/ Principal Directors of Audit (Central) of the CAG of India once in a year. Head Office monitors the timely reply by the Regional Offices/Field Offices. Head Office also helps in alerting on common paras and disseminating the model replies.

Separate Audit Report (SAR - also termed as Certification Audit) contains the comments of the CAG of India on the accounting treatment of EPFO with regard to classification and its conformity with the best accounting practices, accounting standards, disclosure norms etc. The Audit Team of the CAG verifies the Balance Sheet and Profit & Loss Account/Income & Expenditure Account of EPFO during the audit. Upon receipt of consolidated Draft SAR, the Finance Division of HO collect & consolidate the replies from RO/ZO/Divisions at HO and submit reply on consolidated draft SAR to CAG of India. After considering the replies, SAR is issued by CAG of India to EPFO, HO. HO then place the SAR before CBT for approval. After approval by CBT the SAR is forwarded to the Ministry of Labour and Employment for placing in the Parliament. Audit Division in HO issue necessary directions to all field offices to ensure smooth functioning of CAG Audits in the auditee offices and also in respect of supply of data & records, timely submission of standard replies to the Audit Slips for early dropping of Paras etc.

During the F.Y. 2024-25, a total of 783 outstanding audit paras were dropped by the O/o concerned DGA in respect of various offices under EPFO. Moreover, replies of 1500 outstanding paras were forwarded to O/o concerned DGA for early settlement/dropping of pending audit paras in respect of various offices under EPFO. The status of CAG Paras during the financial year 2024-25 is tabulated as under:-

Total Paras pending as on 01.04.2024	No. of paras added during the year	No. of paras dropped during the year	Closing balance as on 31.03.2025
1219	344	783	780

Internal Audit

10.3 Internal Audit in EPFO is an independent assessment of administrative, financial, and operational functions. Its aim is to ensure accuracy, operational efficiency and compliance with prescribed procedures for receipts, payments and accounting. The primary goal is to maintain adherence to laws, regulations and organizational policies, thereby safeguarding EPFO's operational integrity.

There are Internal Audit Parties (IAPs) and different Audit Committees at Zonal Office and Head Office level which plays an important role in the Internal Audit of EPFO. Structure of Internal Audit Division in Head Office with the details of the sanctioned strength of Audit Division as on 31.03.2025 is as under-.

Three Committees namely Head Office Audit Committee A, Head Office Audit Committee B and Zonal Audit Committees are in existence in EPFO to study corrective actions taken by auditee office on audit observations raised by the Internal Audit Parties and settle/drop the observations.

Concurrent Audit

10.4 Concurrent Audit in EPFO is conducted across various offices and regions of the organization. They are carried out continuously, parallel to the ongoing financial transactions, to provide real-time oversight.

The main tools of Concurrent Audit are Concurrent audit Portal and MIS Portal. Concurrent Audit is presently working on following 10 functionalities, through which office wise alerts on claims are downloaded and analyzed on daily basis:

1. Modification/alteration in Member Profile viz. name/father name/date of birth
2. Claim settlement from account where transactions have not occurred for at least a period of thirty-six months.
3. Multiple payments to the same bank account from different Member IDs.
4. Claims received from closed establishments.
5. Top 50 cases of highest value.
6. Insurance claims from those establishments which are exempted from EDLI Scheme, 1976.
7. Revision of PPO.
8. Physical claims.
9. Claims with Appendix E.
10. Claim processed by opening a zero balance account.

1. The Composition of Head Office Committee A in respect of Internal Audit has been changed to Chairperson – CPFC, Member – FA & CAO and ACC(HQ) (Audit).
2. A Chapter on the scope, conduct and process of replying to Performance Audit is added to the Audit Manual.

3. A more detailed provisions for audit of Grievance Redressal System is added to Sl. No 46 of the Core Area for Field Offices in Annexure-IX of the Audit Manual.

4. The provisions related to Deputing Internal Audit of MoLE to assess the utilization of Grant in Aid vis-à-vis the purpose of grant and periodicity of Internal Audit were added in Chapter 03 of the Audit Manual.

5. Detailed clarification of terminologies used in the Audit Manual was issued to facilitate smooth conduct of the Internal Audit of Regional Offices, Zonal Office, ZTI/Sub-ZTIs, PDNASS& HO.

LEGAL MATTERS

11

LEGAL MATTERS

Litigation Management in EPFO:-

11.1 Legal disputes are an inherent and recurring consequence of administering the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, and the statutory schemes framed thereunder, given the scale, complexity, and diversity of covered establishments and scale of covered persons. Such disputes typically arise from questions of statutory coverage, determination and recovery of dues, levy of interest and damages, adjudication under specific provisions, procedural compliance, eligibility and quantification of benefits, and interpretation of notifications, circulars, and scheme provisions, and are instituted both by establishments and by members.

To ensure consistency, efficiency, and accountability in handling such matters, the Employees' Provident Fund Organisation has instituted a comprehensive Legal Framework Document (LFD) that sets out the overarching litigation management policy, including guiding principles, delineation of responsibilities, and standardized processes for case initiation, pleadings, representation, monitoring, compliance with judicial directions, and decisions on appeals and withdrawals. The LFD was placed before the Central Board of Trustees and formally released in the 231st meeting held on 29–30 July 2022, with the objective of transforming EPFO into an efficient and responsible litigant consistent with national litigation policy imperatives.

Pursuant to the Board's consideration and institutional rollout, litigation management within EPFO is being systematized and regularized under the LFD through structured standard operating procedures, field-level implementation mechanisms, and data-driven oversight to reduce avoidable litigation and promote uniform application across offices. In practical terms, this includes clear protocols for defending and prosecuting cases across judicial fora, improved counsel management and briefing, adoption of precedents, and judicious filtering of matters for appeal to align resources with merit and public interest.

11.2 Limitation Periods for Filing Appeals and Special Leave Petitions: NCLT, NCLAT, and SLP

Observing the statutory limitation periods for filing appeals before the National Company Law Tribunal (NCLT) and the National Company Law Appellate Tribunal (NCLAT), as well as for submitting Special Leave Petitions (SLPs) in the Supreme Court, is of paramount importance, as these deadlines ensure that litigants pursue their remedies within the legally prescribed timeframes and uphold procedural orderliness.

a) Limitation for Filing Appeals in NCLAT:

The NCLAT hears appeals against the orders of the NCLT, as well as decisions of the Insolvency and Bankruptcy Board of India (IBBI).

i. **Time Limit under the IBC**: Under Section 61 of the IBC, 2016, an appeal against an order of the NCLT must be filed within 30 days from the date of the order's pronouncement. This period can be extended by an additional 15 days if sufficient cause for the delay is demonstrated. Beyond this, no further extension is permitted. The date of pronouncement of the order is the critical starting point for the limitation period, and this applies even in cases where the order was passed ex parte (in the absence of one party)

ii. **Exclusion of Time for Obtaining Certified Copy**: As per Section 12(2) of the Limitation Act, 1963, the time taken to obtain a certified copy of the order is excluded from the computation of the limitation period. Additionally, NCLAT Rule 3 excludes the date of the order's pronouncement from the limitation period calculation.

iii. **Condonation of Delay**: - While the NCLAT can condone delays within the additional 15-day window, it cannot condone delays beyond this period, as established by the Supreme Court in V Nagarajan Vs. SKS Ispat and Power Ltd. and National Spot Exchange Ltd. v. Mr. Anil Kohli.

iv. **Advice for EPFO Field Offices**: Appeals to the NCLAT must be filed promptly, adhering strictly to the 30-day limitation period. Field Offices should prioritize obtaining certified copies of NCLT orders and ensure that appeals are filed within the prescribed time. Procedural delays adversely affect securing of EPF members' rights and due importance may be given to ensure adherence to stipulated timelines.

b) Limitation for Filing Special Leave Petitions (SLPs) in the Supreme Court:

An SLP is a petition filed in the Supreme Court of India seeking special permission to appeal against the judgment of a lower court or tribunal.

i. **General Time Limit**: Under the **Supreme Court Rules, 2013**, an SLP must be filed within **90 days** from the date of the judgment or order against which the SLP is being filed. This 90-day period begins from the date the judgment is pronounced by the High Court, not from the date when the party receives a copy of the judgment.

ii. **Condonation of Delay**: Requests for condonation of delay beyond the specified period may draw adverse attention from Hon'ble Supreme Court. However, this discretion is exercised sparingly, and the party seeking condonation has to provide a compelling justification for the delay.

c) Instruction for EPFO Field Offices:

i. The proposal for filing SLP before Hon'ble Supreme Court shall be sent by Zonal ACC after scrutiny along with his specific recommendation.

ii. Proposals for filing of SLPs shall invariably contain facts of the case, impugned order, complete set of pleadings right from court of first instance, question of law involved, legal opinion from a panel advocate other than the one who argued the case and specific recommendation of the Zonal ACC.

iii. The suitability of filing appeal before the Supreme Court shall be properly examined. SLPs shall only be recommended where a larger question of law is wrongly settled by the Court. Mere financial implications cannot be a ground of appeal. The proposal should be submitted to Head Office through the Addl. CPFC (Zone)

iv. Adhering to the limitation periods for filing appeals and SLPs is essential for ensuring that the EPFO's legal interests are protected. EPFO Field Offices are directed to take note of the above limitation periods and ensure that all necessary actions are taken within the prescribed timeframes. Delays must be avoided, and appeals should be filed promptly to avoid any legal disadvantage.

11.3 Important Cases/matters/judgements: -

Significant judgments have clarified the applicability of the Employees' Provident Funds (EPF) Act to various establishments, including Municipal Corporations and Home guards, while also addressing the treatment of allowances as part of basic wages. The courts have consistently reinforced that provident fund contributions must be made without the necessity of proving mens rea (intent), thus ensuring strict compliance.

In the context of insolvency, key rulings have established that provident fund and gratuity dues are to be prioritized, and that government dues must be adequately addressed in resolution plans. Notably, the Supreme Court has upheld the exclusion of employee benefits from liquidation estate assets, affirming the protection of these funds during insolvency proceedings. The important judgments are as under:-

a. Applicability -

Supreme Court of India

i. **Thankamma Baby vs The Regional Provident Fund Commissioner 7 November, 2023, Supreme Court of India [Civil appeal No. 4619 of 2010]:-** The case revolves around the interpretation of clause (b) of sub-Section (3) of Section 1 of the Employees' Provident Fund and Miscellaneous Provisions Act, 1952 (the 1952 Act). This legal document outlines the facts, submissions, and considerations made during the appeals process.

ii. **Mathoshri College Judgement– 'Clubbing of establishment for EPF Coverage'-** A Division Bench of the Supreme Court determined the legal position pertaining to the clubbing of different institutes for the purpose of coverage under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (EPF Act).

High Court

W.P.(C) 7729/1999, M/S Whirlpool Of India Ltd Vs RPFC Before Delhi High Court, Order dated 06-07-2023 - Hon'ble Court observed that canteen allowance can be treated as an emolument which is part of the basic wages of an employee under Section 2(b) of the E.P.F. Act and therefore, the Petitioner needs to deposit Provident Fund on the said amount

Applicability of the EPF Act on Municipal Corporations:- Hon'ble Calcutta High Court (Appellate Side) vide judgement dated 14 July, 2022 in case Provident Fund Organisation vs Kolkata Municipal Corporation, has held that the 74th Constitutional Amendment Act, 1992 shall override the provisions of the Kolkata Municipal Corporation Act, 1980 and Chapter IX of the Constitution of India (as amended) shall apply to the Kolkata Municipal Corporation.

CGIT

Applicability of the EPF & MP Act on the Homeguards.- CGIT Jabalpur order dated 22.08.2022 **[CGIT/LC/EPFA-21-2020], Director General Homegaurd Jabalpur vs RPFC Jabalpur-** The finding of the Respondent Authority regarding applicability of the Act with respect to the intervener home guards is held justified in law and fact and is affirmed.

b. Damages

i. Supreme Court of India

Regarding question of *Mens Rea*- Hon'ble Supreme Court in its judgement dated 23-02-2022 in **Horticulture Experiment Station Gonikoppal Coorg Vs Regional Provident Fund Organization [Civil Appeal 2136 of 2012]** has held that *mens rea* or *actus reus* is NOT an essential element for imposing penalty/damages.

ii. Madras High Court (Madurai Bench)

Hon'ble High court of Madras bench at Madurai in W.P.(MD)Nos.7339, 9688 of 2013, 2765 & 2782 of 2014 - Recent rulings clarify that mens rea (intention or knowledge of wrongdoing) is not necessary for imposing penal damages under Section 14B of the Employees' Provident Funds (EPF) Act. The Supreme Court has held that the intention of parties is irrelevant when determining the quantum of damages for delayed remittance of provident fund contributions. However, a recent CGIT Delhi ruling challenged this by citing earlier judgments that emphasize mens rea. The High Court of Madras at Madurai recently upheld that mens rea is not a requirement, reinforcing the stance that damages can be recovered without proving intent.

c. Accounts -

Supreme Court of India

- **Judgement dated 30.01.2024 in SLP (C) No. 30357-30358 of 2017 in the matter of Dr. Arun Gopal Agarwal Vs The Union of India &Ors:-** The matter relates to non-payment of interest on the amount transferred in inoperative account. The petitioner prayed for quashing of the Gazette Notification No. GSR25-E dated 15/01/11 issued by Ministry of Labour and Employment, Govt. of India and EPFO Circular No. Coord./3(2)2010/Inoperative account/92370 dated 25.01.2011 whereby EPF accounts in which there is no deposit for a period of 36 months are declared inoperative accounts denying the legitimate and rightful interest earned to EPF subscribers even though EPFO invested these money into various securities and earned interest in these accounts. Earlier Hon'ble High Court has dismissed the Petition. Now the Hon'ble Supreme Court vide order dated 30.01.2024 dismissed the SLP.

d. Pension on Higher Wages :-

Kerala High Court

- **Judgement dated 30.09.2023 Hon'ble HC of Kerala in Pension on Higher wages [Contempt matters COC No. 124/2020, 1377/2019 & 1883/2020] :-** The Hon'ble Court has stated that the EPFO would have the right to reconsider the entitlement of pensioners for disbursement of higher pension even in such cases where higher pension has already been disbursed based on the previous Judgement, in view of the Judgement of Apex Court dated 04-11- 2022 in Civil Appeal No. 8143-44/2022 and connected matters (Sunil Kumar B).

e. Insolvency and Bankruptcy Code (IBC)

Supreme Court of India

i. Civil Appeal No. 1661 of 2020, Sanjay Kumar Agarwal vs State Tax Officer (1) &Anr before Hon'ble Supreme Court [IBC Resolution Plan Can't Ignore Government Dues]:- The Supreme Court dismissed a batch of review petitions filed against a 2022 judgment which

held that the definition of a secured creditor under the Insolvency and Bankruptcy Code (IBC) 2016 included any government or governmental authority and that a resolution plan which ignored dues to the government was liable to be rejected.

ii. **Civil Appeal no. 5910 of 2019; Sunil Kumar Jain and others Versus Sundaresh Bhatt and others :-** The Supreme Court held that only the wages/salaries of workmen/employees who worked during CIRP when the corporate debtor was a going concern should be included in CIRP costs, enjoying first priority under Section 53(1)(a) of the IBC. The wages/salaries of non-working employees would be governed by Sections 53(1)(b) and (c). Provident fund, gratuity fund, and pension fund are excluded from the liquidation estate assets, ensuring their protection. This case highlights the balance between employee rights and creditor interests in insolvency proceedings, promoting fairness in the resolution process.

f. National Company Law Appellate Tribunal (NCLAT)

i. **Jet Aircraft Maintenance Engineers Welfare Association v. Ashish Chhawchharia& Ors. [(2022) SCC OnLine NCLAT 418] dated 21/10/2022** - Hon'ble NCLAT in its judgement held that non-payment of full provident fund amount to the workmen and employees and the gratuity payment till the insolvency commencement date amounts to noncompliance of provisions of Section 30(2)(e) of Insolvency and Bankruptcy Code, 2016 (IBC) finding no other parts of the resolution plan to be infirm in any manner. The Court further directed the Successful Resolution Applicant to make pending payments of provident fund and gratuity to the workmen and the employees.

ii. **Sikander Singh Jamuwal v. Vinay Talwar Resolution Professional and Others [Company Appeal (AT) (Ins)No. 483 of 2019] dated 11.03.2022**- Hon'ble NCLAT held that there was no conflict between Section 17B (Liability in case of transfer of establishment) of the Employees Provident Fund and Miscellaneous Provisions Act, 1952 ("EPF Act") and the Insolvency and Bankruptcy Code, 2016 ("IBC"), owing to which Section 238 of the IBC (Provisions of the IBC to override other laws) would not come into force. Hence, the payment or non-payment of provident fund ("PF") dues is not a matter of commercial wisdom, and necessary compliance of law is a must.

g. Other important judgments of Supreme Court :-

i. **State of Uttar Pradesh v. Associationof Retired Supreme Court and High Court Judges at Allahabad, 2024 SCC OnLine SC14, Decided on: 03-01-2023:-** Hon'ble Supreme Court has issued guidelines to HCs on summoning govt officials, says personal presence should be exceptional.

ii. **Criminal Appeal No. 3589 of 2023 High Court Bar Association, Allahabad vs State of U.P. & Ors.** - The Supreme Court of India, in the case of High Court Bar Association, Allahabad v. State of U.P. & Ors., overturned the 2018 decision in Asian Resurfacing. The new judgment emphasizes that interim orders by High Courts should not automatically expire after six months. Instead, they can only be vacated through a judicial order, ensuring adherence to principles of natural justice. The ruling reaffirms the autonomy of High Courts and limits the use of Article 142, ensuring that procedural fairness is maintained in the legal process.

11.4 Performance in Supreme Court:

The cases in Supreme Court are conducted directly by the Legal Division at Headquarters. During the year the performance of EPFO in Supreme Court was as under:

SOCIAL SECURITY FOR INTERNATIONAL WORKERS

12

SOCIAL SECURITY FOR **INTERNATIONAL WORKERS**

Background

12.1 Advent of Globalisation and Economic liberalization, coupled with changing demographic profile of the world has made international migration of labour inevitable. India, with a large pool of young and technically qualified manpower in sectors like IT, health, and management etc. has emerged as a global reservoir of human capital. This has encouraged mobility of skilled workforce from India to other countries

There has been an increase in mobility of specialized workforce from other countries to India for employment in various sectors as well with the advent of technology and in response to the efforts made by the Government of India to encourage FDI in multifarious activities that cut across manufacturing, agro based Industries and booming service sector industries in India amongst others.

12.2 Indian professionals working in various countries are required to make the mandatory social security contributions in the countries of their posting. However, such migrant Indian expatriates are deprived of social security benefits in the host country despite making monetary contributions because of special social security rules in force.

The contributions made by such migrant professionals during their stay in the host country were lost as the benefits were not payable before expiry of a minimum qualifying period. The return of contribution paid in that country was therefore not available in case of return to the home country. Additionally, there was no provision for counting of service for a short span of contributory period in the host country for availing social security benefits in the country of origin.

12.3 With a view to protect the rights of migrant workers, Government of India decided to enter into bilateral Social Security Agreements (SSAs). An SSA coordinates the social security schemes of two contracting states in order to overcome the barriers and facilitate extension of benefits to beneficiaries. By virtue of an SSA, Indian workers are exempted from mandatory social security contribution in the country of their posting and the double taxation scenario is avoided. Further, the benefits of service rendered abroad are received by way of 'totalisation' and the payment is received in India.

12.4 In the context of above and in order to implement the provisions of bilateral SSAs, enabling provisions for International Workers (IWs) were introduced in the Employees' Provident Fund Scheme and Employees' Pension Scheme by inserting Para 83 of Employees Provident Fund Scheme 1952 and Para 43.A of Employees Pension Scheme 1995 and given effect from 1st October,2008. The special provisions have been amended subsequently keeping in view the requirements arising over the period of time.

12.5 The Ministry of External Affairs (MEA), Govt. of India, is the nodal ministry for initiating & finalizing the negotiations for bilateral Social Security Agreements. EPFO supports the negotiation process, and the Ministry of Labour and Employment is the guiding body.

EPFO is the designated Competent Institution and Liaison body to operate the provisions of the SSAs. This includes issuing Certificates of Coverage (COC) to the eligible employees of Indian establishments (Private and Public Sector) apart from the employees of establishments covered under the EPF & MP Act when they are posted/deputed abroad in a country having SSA with India.

Special Provisions In Respect of International Worker

12.6 The special provisions enshrined in Para 83 of Employees Provident Fund Scheme 1952 and Para 43.A of Employees Pension Scheme 1995, provide for identification, exclusion, membership and benefits in respect of an International Worker.

12.7 An International Worker (IW) may be an Indian worker or a foreign national as defined under substituted sub para 2(ja) under para 83 of the EPF Scheme 1952.

Definition of international worker (IW):

i) An Indian employee having worked or going to work in a foreign country with which India has entered into a social security agreement and being eligible to avail the benefits under social security programme of that country, by virtue of the eligibility gained or going to gain, under the said agreement;

ii) An employee other than an Indian employee, holding other than an Indian Passport, working for an establishment in India to which the EPF & MP Act, 1952 applies;

12.8 Social Security Agreement (SSA)

A Social Security Agreement is a bilateral instrument to protect the interests of workers. A SSA generally covers four important provisions namely, 'equality' 'detachment', 'totalisation' and 'portability'. However, SSA with some countries does not provide for totalisation.

i. **Equality of treatment**. SSA ensures that Indian workers to whom it applies have the same rights and obligations under the social security legislation of the foreign country as its own nationals.

ii. **Detachment** – Indian employees, working in countries with which India has Social Security Agreements, are exempted from contributing to their social security system, provided they are complying with the Indian social security system. This exemption is available for a specified period stipulated in the agreement.

iii. **Totalisation of benefits** – The period of service rendered in another country is counted for determining eligibility for pension. The actual pensionary benefits, however, are payable only for the period of contributory service on pro.rata basis.

iv. **Portability of Pension** – Pension benefits are payable without reduction, direct to the beneficiaries choosing to reside in the home country or in any other country.

12.9 India has signed 22 SSAs of which the latest SSA was signed with Poland on 25th November, 2024. However, out of 22 SSAs, the two SSAs (with Argentina & Poland) are yet to be implemented. Types of benefits available to the International Workers of the various countries are as detailed below:

As of now bilateral negotiations for social security agreements are ongoing with 16 foreign countries which are USA, UK, Philippines, Spain, Russia, Thailand, Chile, Uruguay, Peru, Lithuania, Indonesia, Cyprus, Sri Lanka, Italy, China and Albania.

12.10 Certificate of Coverage (COC)

This is also called as detachment certificate/certificate of applicable legislation. A COC is issued to the Indian employees posted to a country having SSA with India. Indian workers who are issued Certificate of Coverage by EPFO are exempted from making Social Security contribution in the country of their posting in terms of detachment provisions of the SSA. The facility to apply for COC has been made available online. The employee or the employer can apply for COC in the

International Workers Portal the link of which is available on the EPFO website. The application is directed electronically to the concerned Regional Office of EPFO where the applications are processed.

COCs have been issued to the Indian employees posted in the countries covered under SSA, i.e. Belgium, Germany, Switzerland, Denmark, Luxembourg, France, South Korea, Netherlands, Hungary, Finland, Czech Republic, Sweden, Norway, Austria, Canada, Australia, Japan, Portugal, Quebec and Brazil.

In the financial year 2020.21 (during Covid Period), the number of Certificates of Coverage (COCs) issued by the EPFO were only 14,798 COCs were issued. However, a positive upward trend has been observed in the subsequent years. In the financial year 2021.22, the number of COCs issued increased to 15,583, and in 2022.23, it further rose to 32,455. Thereafter, for financial year 2023.24, a total of 30,713 COCs were issued. In financial year 2024.2025, highest number of COCs were issued with a total of 43,120, showing a jump of more than 40% in crossborder movement of international workers.

12.11 International Social Security Association (ISSA)

The Employees Provident Fund Organisation (EPFO) of India achieved a significant milestone by becoming an affiliate member of the International Social Security Association (ISSA) on April 1, 2023. This affiliation highlights EPFO's commitment to be part of global best practices in social security. As an ISSA member, EPFO now participates in international conferences and workshops, gaining valuable insights and adopting innovative solutions to enhance social security systems. This move underscores EPFO's proactive approach to strengthening its institutional capabilities and improving employee welfare through advanced social security mechanisms.

EPFO has been awarded the following 7 ISSA Good Practice Awards in Asia and the Pacific Competition 2024 by the ISSA. These awards were distributed at Regional Social Security Forum for Asia and the Pacific held in Riyadh, Saudi Arabia, 3–5 December 2024.
